CHROME ENGINE COVER KIT

GENERAL

Kit Number

16330-08B

Models

For model fitment information, see the P&A retail catalog or the Parts and Accessories section of www.harley-davidson.com (English only).

Additional Parts Required

⚠ WARNING

Rider and passenger safety depend upon the correct installation of this kit. Use the appropriate service manual procedures. If the procedure is not within your capabilities or you do not have the correct tools, have a Harley-Davidson dealer perform the installation. Improper installation of this kit could result in death or serious injury. (00333b)

SERVICE PARTS

NOTE

This instruction sheet references service manual information. A service manual for this model motorcycle is required for this installation and is available from a Harley-Davidson dealer.

Kit Contents

See Figure 1 and Table 1.

INSTALLATION

The chrome engine covers are direct replacements for the original equipment (OE) engine covers. Installation procedures for this kit are the same as the OE installation procedures in the service manual.

NOTE

Refer to the service manual section for the engine cover removal and installation procedures.
