## EZ TOUR-PAK LID CATCH

### GENERAL

#### Kit Number

53000195

#### Models

For model fitment information, see the P&A Retail Catalog or the Parts and Accessories section of [www.harley-davidson.com](http://www.harley-davidson.com) (English only).

#### Kit Contents

This kit contains one lockset catch and two screws (part number 3598).

### INSTALLATION

#### NOTE

*Do not use an impact tool to remove screws (1). Use an appropriate hand tool to prevent the screws from breaking off during removal.*

1. See Figure 1. Remove two screws (1) and the original equipment (OE) Tour-Pak<sup>®</sup> lockset catch (2), spacer and latch. Discard screws.

#### NOTE

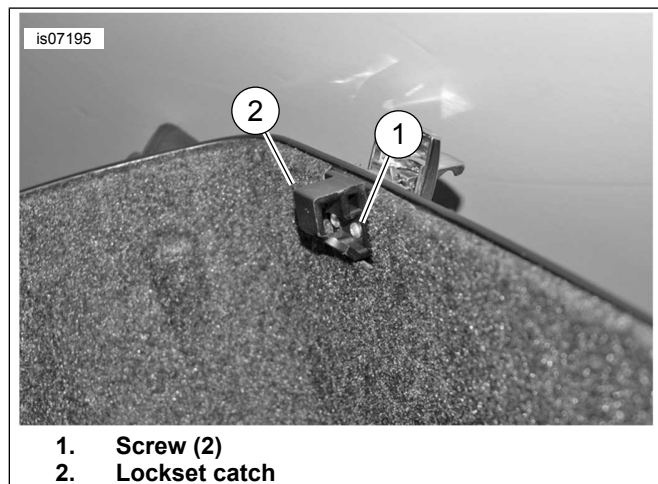

*It may be necessary to trim away some liner material. The lockset catch should mount flush with edge of the Tour-Pak and firmly against the Tour-Pak wall with no liner interference.*

J05472

Many Harley-Davidson<sup>®</sup> Parts & Accessories are made of plastics and metals which can be recycled. Please dispose of materials responsibly.

2. Install two screws, new Tour-Pak® lockset catch, spacer and latch to the Tour-Pak. Tighten screws to 2.3–2.8 N·m (20–25 in-lbs).
3. See Figure 2. Verify that the lock guide tab (1) is perpendicular to the Tour-Pak lid edge. If it is not, loosen the lockset, align the lock guide and then tighten the lockset.
