Kit Contents

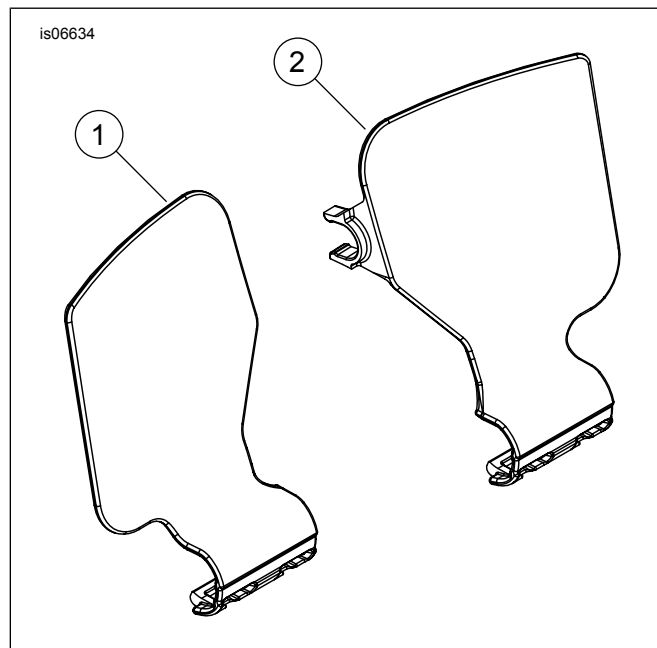

Figure 1. FLTR Air Deflectors

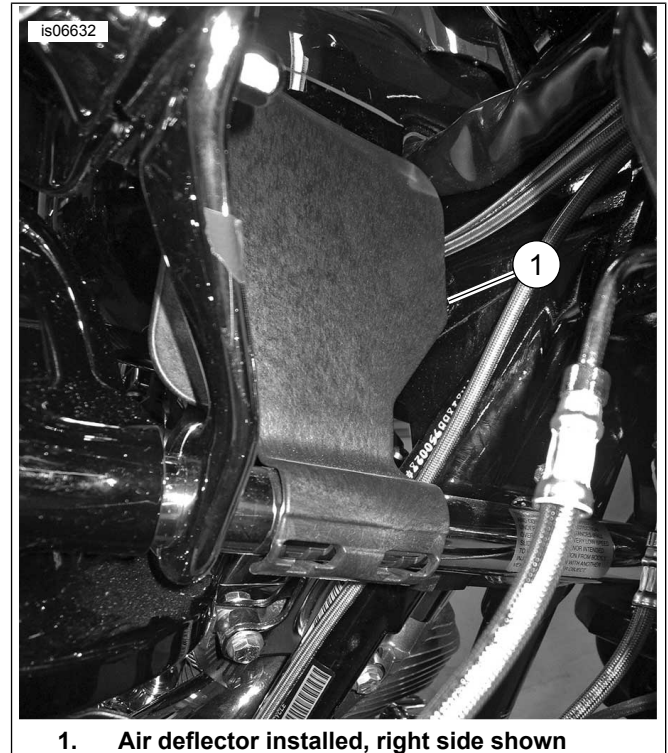

Table 1. Service Parts

Item	Description (Quantity)	Part Number
1	Right side air deflector	Not Sold Separately
2	Left side air deflector	Not Sold Separately

There are no Service Parts available with this kit.

INSTALLATION

1. From the front of the motorcycle, turn the front wheel away from you.
2. If working on the right side of the motorcycle, obtain the air deflector stamped "Right". Install the top clip behind the front tabs of the gas tank. Finish by snapping the bottom clamp to the engine guard.
3. Repeat steps for left side air deflector.
