GENERAL

Models

For model fitment information, please see the P&A Retail Catalog or the Parts and Accessories section of www.harley-davidson.com (English only).

Ensure you are using the most current version of the instruction sheet which is available at: www.harley-davidson.com/isheets

Contact Harley-Davidson Customer Support Center at 1-800-258-2464 (U.S. only) or 1-414-343-4056.

Installation Requirements

⚠ WARNING

Rider and passenger safety depend upon the correct installation of this kit. If the procedure is not within your capabilities or you do not have the correct tools, have a Harley-Davidson dealer perform the installation. Improper installation of this kit could result in death or serious injury. (00308b)

INSTALL

1. Place a swingarm pivot-bolt cover in position over a swingarm pivot.

NOTE

For kit 48894-02, orient engraved insert pattern to desired position. After installation, rotate cover to adjust insert pattern.

2. Firmly press cover into place with your hand.

3. Repeat steps 1 and 2 for opposite side.

NOTE

Do not use a hammer to install swingarm pivot-bolt cover. Installation with a hammer could damage cover. If installation is difficult, bend inner tabs inward slightly, then press cover into place.

Figure 2. Swingarm Pivot-Bolt Cover Installation Before (Above) and After (Below)

NOTE

For cover removal, use a blade to pry cover from swingarm and to prevent damage to cover.
