INSTRUCTIONS

-J01962 REV. 11-16-01

Kit Number 45765-00

CHROME FRONT END KIT

GENERAL

This kit is designed for installation on 1991-1999 FXST, FXSTC and FXSTB model motorcycles.

NOTE

We recommend this kit be installed by a factory trained technician at an authorized Harley-Davidson Dealership.

NOTE

A Service Manual is necessary for performing the following detailed Assembly and Installation procedures. A Service Manual for your motorcycle is available from your Harley-Davidson Dealer.

NOTE

See Service Parts Illustrations for component Part Numbers and Locations.

⚠WARNING

A SERVICE MANUAL IS NEEDED TO INSTALL THIS KIT. The rider's safety depends upon the correct installation of this kit. If the procedure is not within your capabilities or you do not have the correct tools, have your Harley-Davidson dealer perform the installation. Improper installation of this kit could result in death or serious injury.

⚠WARNING

Harley-Davidson has designed and manufactured this front end according to our very stringent and well-tested standards. Do not modify the FXST/FXSTC/FXSTB front end in any way that changes our original design. Modifications of this front end could result in death or serious injury.

⚠WARNING

Do not install this front end kit on any non-approved motorcycle. Do not install on three-wheeled vehicles of any kind. Installation of the FXST/FXSTC/FXSTB front end on anything other than Softail models could lead to death or serious injury.

⚠WARNING

DO NOT use front end components that have been remanufactured (straightened, plated, welded) in any way. There can be no certainty that remanufactured front end components will have the strength of the original, unchanged components. Use of remanufactured components may lead to an accident which could cause death or serious injury.

INSTALLATION

Front Forks

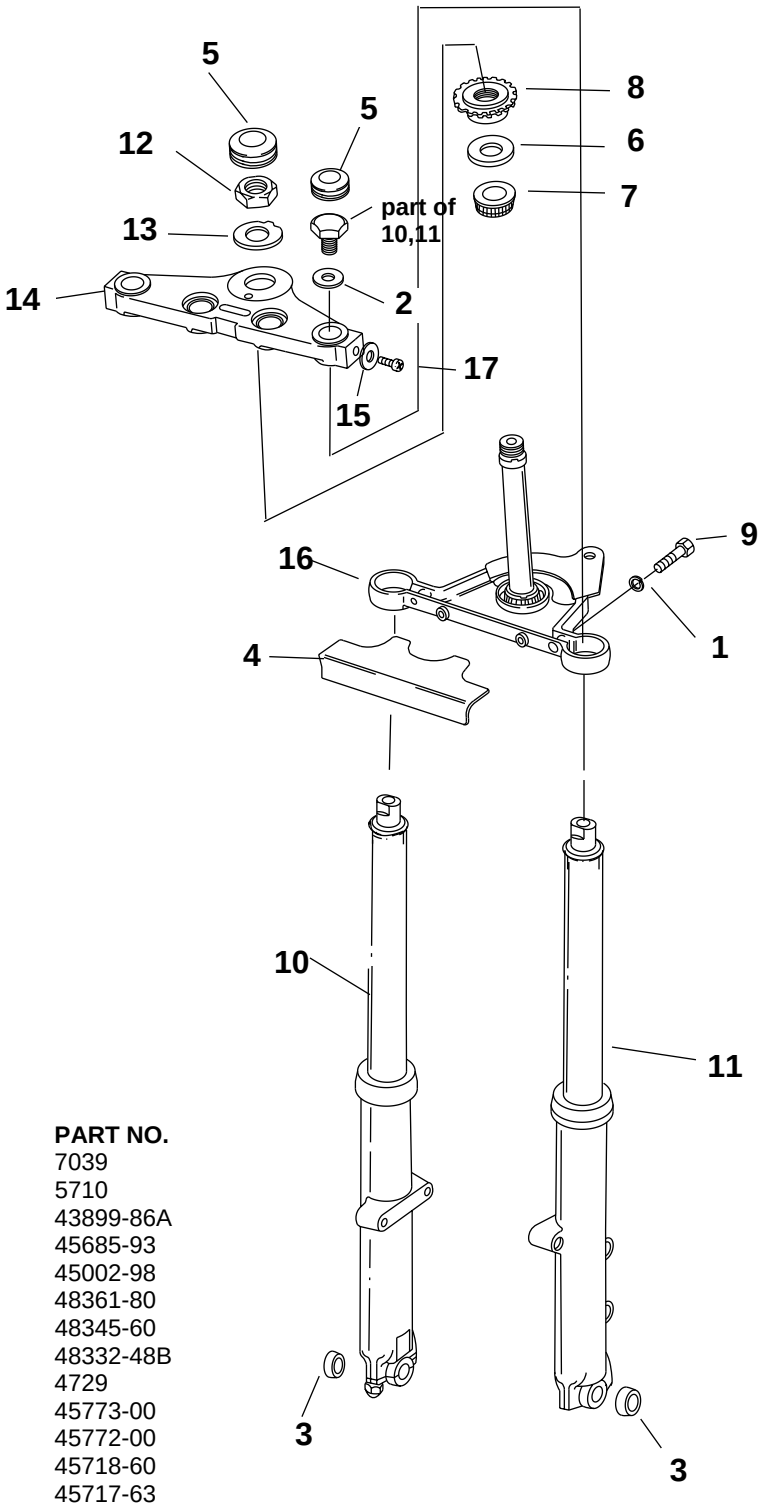

Refer to the applicable Service Manual for Front Fork Assembly and Installation procedures.

Steering Head Bearing Adjustment

Refer to the applicable Service Manual for Steering Head Bearing Adjustment procedures.
