

HARLEY-DAVIDSON 6.5GT MAP UPDATE PROCESS

*Step-by-step guideline for map update and
Intercontinental Replacement /Restoration*

Budapest, 27-02-2017

Szilárd Szöllősi – Online Services Project Manager

Table of Contents

1. ONLINE UPDATE

- 1.1 Prerequisites
- 1.2 Fingerprint creation on MotorBike HeadUnit (~5 minutes)
- 1.3 Toolbox PC Application launch (~2 minutes)
- 1.4 MapCare Content download via Toolbox PC Application (~1 hour)
- 1.5 Content purchase and download via Toolbox PC Application (~1 hour)
- 1.6 Content installation on MotorBike HeadUnit (~1 hour)

2. INTERCONTINENTAL REPLACEMENT

- 2.1 Prerequisites
- 2.2 Content download via Naviextras Webpage (~1 hour)
- 2.3 Request code generation at MotorBike HeadUnit (~ 2 minutes)
- 2.4 Activation code purchase via Naviextras Webpage (~ 5 minutes)
- 2.5 Content installation at MotorBike HeadUnit (~ 1 hour)

3. INTERCONTINENTAL RESTORATION

- 3.1 Prerequisites
- 3.2 Content download via Naviextras Webpage (~1 hour)
- 3.3 Request code generation at MotorBike HeadUnit (~2 mins)
- 3.4 Activation code via Naviextras Webpage (~2 minutes)
- 3.5 Content installation at MotorBike HeadUnit (~1 hour)

4. ONLINE EXTENSION

- 4.1 Prerequisites
- 4.2 Content download via Naviextras Webpage (~1 hour)
- 4.3 Request code generation at MotorBike HeadUnit (~2 mins)
- 4.4 Activation code via Naviextras Webpage (~2 minutes)
- 4.5 Content installation at MotorBike HeadUnit (~1 hour)

ONLINE UPDATE

Updating the navigation system with the freshest available map

1

1.1 Prerequisites of the Online Update

Empty USB memory stick

- Formatted to FAT32 file system
- Capacity of minimum 8GB

Personal Computer

- With Windows 7, 8 or 10 Operating System
- Installed Toolbox*
- Registered Naviextras account**

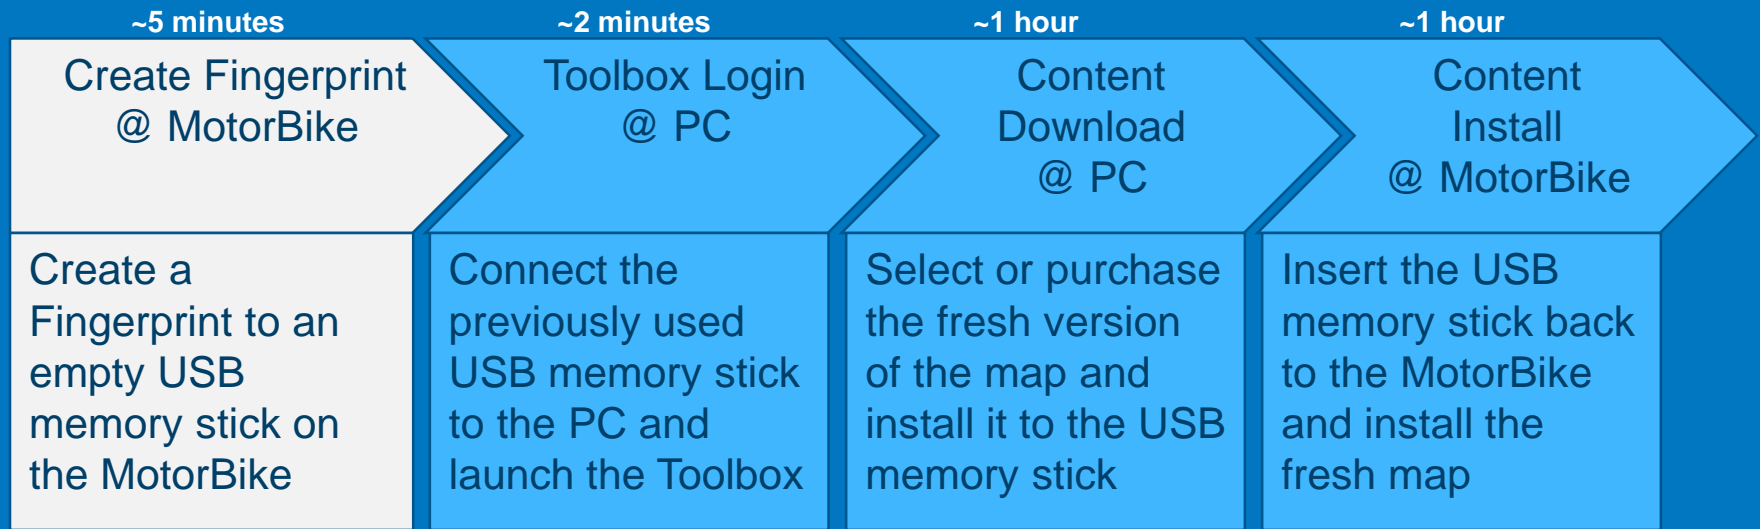

Harley-Davidson MotorBike

- With 6.5GT HeadUnit

* Toolbox can be downloaded from this [link](#)

** Account can be registered in the Toolbox or Naviextras [here](#)

1.2 Fingerprint creation at MotorBike HeadUnit

1.2 Fingerprint creation at MotorBike HeadUnit

Step 1: Connect your USB memory stick to the HeadUnit on your MotorBike and press the HOME button

1.2 Fingerprint creation at MotorBike HeadUnit

Step 2: Select the „Setup” menu in the top right corner

1.2 Fingerprint creation at MotorBike HeadUnit

Step 3: Scroll down in the Setup menu and select the „System Information“

1.2 Fingerprint creation at MotorBike HeadUnit

Step 4: Scroll down in the Information menu and select the „Navigation”

1.2 Fingerprint creation at MotorBike HeadUnit

Step 5: Select the „Export For Update“

1.2 Fingerprint creation at MotorBike HeadUnit

Step 6: Select the name of the connected USB memory stick

1.2 Fingerprint creation at MotorBike HeadUnit

Step 7: Wait until the export is finished

Exporting data
Please wait...

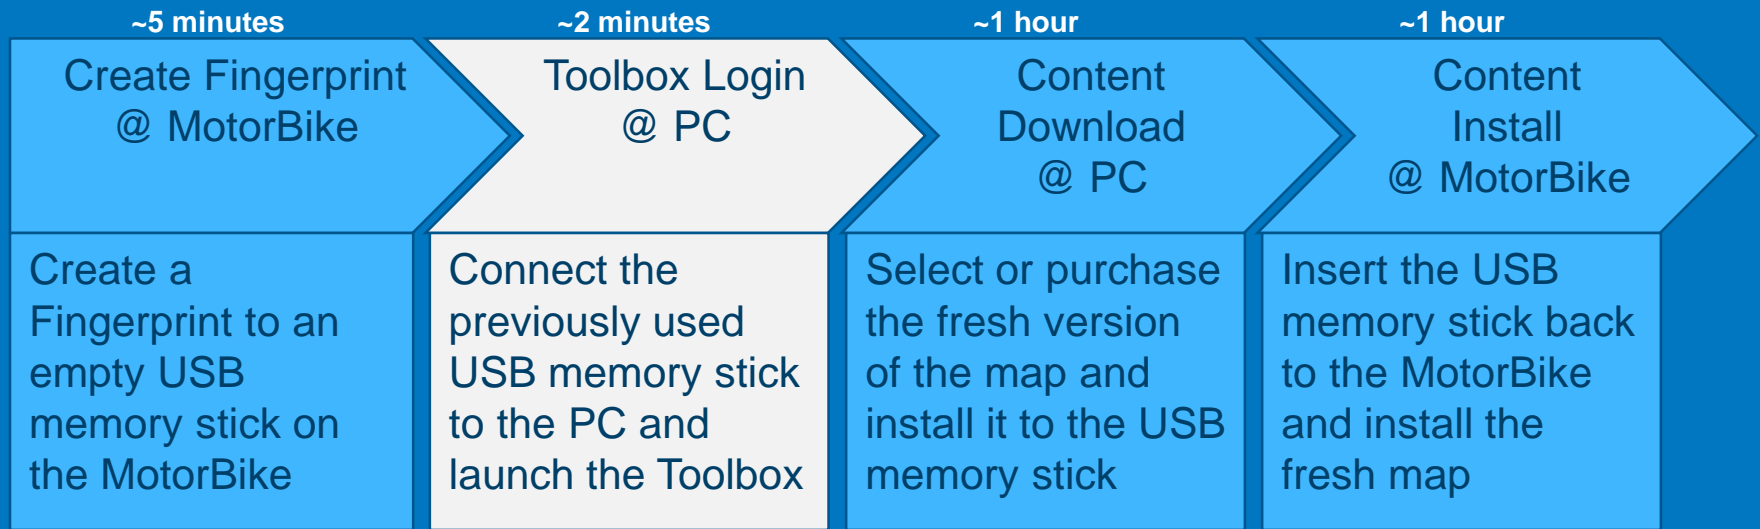

1.2 Fingerprint creation at MotorBike HeadUnit

Step 8: When ready, press „OK” then remove the USB memory stick from the MotorBike

Export Complete

OK

1.3 Toolbox PC application launch

1.3 Toolbox PC application launch

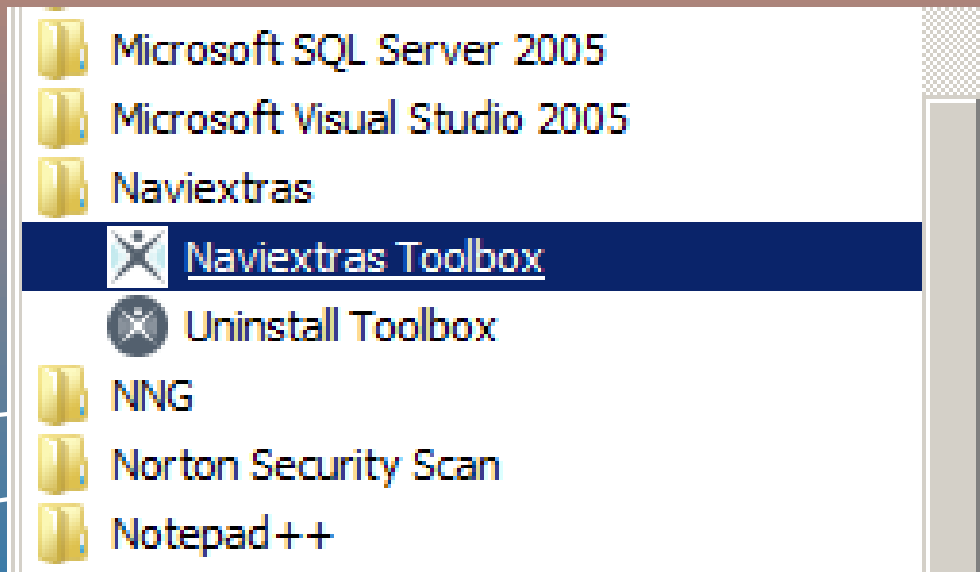

Step 1: Connect the previously used USB memory stick to your PC

1.3 Toolbox PC application launch

*Step 2: Launch the Naviextras Toolbox from the Start menu or from the Desktop**

* Toolbox can be downloaded from this [link](#)

1.3 Toolbox PC application launch

1.5 Content purchase and download via Toolbox

Step 1: In the main window press „Maps“ on the left

1.5 Content purchase and download via Toolbox

Step 2: Select your region by clicking on „READ MORE” button

The screenshot shows the Naviextras Toolbox application window. The interface includes a top navigation bar with icons for Home, Shop, Updates, Backup, Settings, and Extras. A sidebar on the left contains buttons for Home, Shop, Updates, Backup, Settings, and Extras. The main content area displays three map purchase options:

- Middle East:** "The latest maps for Middle East. Includes: Bahrain, Egypt, Jordan, Kuwait, Lebanon, Morocco, Oman, Qatar, Saudi Arabia, United Arab Emirates. Road coverage with over 884 300 kilometers of updated roads. Latest release: ROW-MY2018. READ MORE button." 
- Map of North America:** "The latest maps for North America. Includes: Bahamas, Canada, Cayman Islands, Mexico, United States. Road coverage with over 7 172 700 miles / 11 543 400 kilometers of updated roads. Latest release: NACVO-MY2018. READ MORE button." 
- Map of Russia, Kazakhstan and Azerbaijan:** "The latest map of Russia, Kazakhstan and Azerbaijan with more than 4 782 800 km road coverage. Latest release: ROW-MY2018. READ MORE button." 

At the bottom left, the device information is displayed: "My Navigation device: Harley Davidson Flash: 2.4 GB / 7.3 GB".

Step 3: Start purchasing the content by clicking on „ADD TO CART,, button

The screenshot shows the Naviextras Toolbox interface. On the left is a navigation sidebar with buttons for Home, Shop, Updates, Backup, Settings, and Extras. The main content area is titled "Map of North America" and features a map of North America. Below the map, there is a warning box stating: "Warning! Please note, that you have already purchased this item to your selected device! Update subscription expires: Dec 14, 2022". Below the warning, the price is displayed as "Get the latest map ~ 36,763.74 HUF * 117.00 EUR *". A yellow "ADD TO CART" button is positioned below the price. To the right of the main content is a "MAPS & MORE" sidebar with a "BROWSE" button and a list of regions: World, Europe, Western Europe, Eastern Europe, Middle East and Africa, Americas, North America, Middle and South America, Asia Pacific and Oceania, Middle East, Southern Africa, and Australia & New Zealand. At the bottom of the page, there is a disclaimer: "* Please note that these prices are used as a guide only, as they are approximate and updated twice a week based on the actual exchange rate. Prices are established and payable either in EUR or USD. Prices available in other currencies are only indicative prices for information purposes. Prices for private person customers domiciled in the EU or Russia are inclusive of VAT. Prices for registered corporate customers domiciled in the EU or in Russia are exclusive of VAT. Prices for customers domiciled outside of the EU or Russia are exclusive of VAT. Prices always exclude local taxes, duties, custom fees and other applicable local governmental fees, if applicable customer is responsible for the payment of such applicable additional fees and duties to the relevant authorities. In case of physical products, prices are..."

1.5 Content purchase and download via Toolbox

Step 4: Go to Check Out

The screenshot shows the Naviextras Toolbox web interface. The browser title is "Naviextras Toolbox - [http://www.iop.demo.naviextras.com/]". The page features a navigation menu on the left with options: Home, Maps, Device, Backup, Settings, and Extras. At the bottom of the menu, it displays "My Navigation device: Harley Davidson" and "Flash: 3.1 GB / 7.3 GB".

The main content area is titled "MAPS & MORE" and contains a green confirmation message: "You successfully added 'Map of South America' to the cart. Click on the below buttons to continue shopping or go to checkout." Below this message are two buttons: "CONTINUE BROWSING" and "GO TO CHECKOUT".

On the right side, there is a warning box: "Harley-Davidson.naviextras.com is in DEV mode now. You can buy updates with test credit card numbers, and you will get 1-week trial licenses and a test invoice." Below the warning is a "MY CART" section with an "EDIT CART" link. The cart contains one item: "- Map of South America 148.00 €". A "CHECKOUT" button is visible next to the price. Below the cart is a "MAPS & MORE" section with a "BROWSE" link, listing various map categories: World, Europe, Western Europe, Eastern Europe, Middle East and Africa, Americas, North America, Middle and South America, and Asia Pacific and Oceania.

1.5 Content purchase and download via Toolbox

Step 5: Check Out

Shopping Cart Items

	Price	Remove
Map of South America Get the latest map	148.00 EUR	
Total:	148.00 EUR	

Please verify with the [Naviextras Toolbox](#) PC software if there is enough free storage space on your device or SD card to install the chosen updates and extras.

[I HAVE A CODE.](#)

[CHECKOUT](#)

Harley-Davidson.naviextras.com is in **DEV** mode now. You can buy updates with test credit card numbers, and you will get 1-week trial licenses and a test invoice.

Five easy steps to go:

- 1 Add selected content to cart.
- 2 Check out. Verify items in your cart.
- 3 Enter and confirm your invoice address.
- 4 Enter your credit card data for the purchase.
- 5 Download and install updates to your device with Toolbox.

My Navigation device:
Harley Davidson
Flash: 3.6 GB / 7.3 GB

1.5 Content purchase and download via Toolbox

Step 10: Enter credit card data for the purchase and click on „Make Payment”

The screenshot shows the Naviextras Toolbox interface for a payment transaction. The browser window title is "Naviextras Toolbox - [http://www.icp.demo.naviextras.com/]". The page header includes the Naviextras logo and user information: "Harley Davidson", "Test User", and "About". The main content area is titled "Harley-Davidson.naviextras.com Payment" and includes a note: "Fields marked with (*) are mandatory".

The payment form contains the following information:

- Payment reference number: HARL0000002017030210114776258AA8
- Amount to pay: USD 159.95
- Payment with: MasterCard
- Card number *: [input field]
- Card expiry date (MM/YYYY) *: [dropdown] / [dropdown]
- Name card holder *: [input field]
- Card Verification Code *: [input field] What is Card Verification Code?

Below the form, a message states: "The payment will be authorised online. This process will take approximately 15 seconds." At the bottom of the form area, there are two buttons: "Clear form" and "Make Payment". The "Make Payment" button is highlighted with a yellow border.

On the left sidebar, there are navigation options: Home, Maps, Device, Backup, Settings, and Extras. At the bottom left, it displays: "My Navigation device: Harley Davidson Flash: 3.6 GB / 7.3 GB".

1.5 Content purchase and download via Toolbox

Step 11: Wait for the validation of the device

The screenshot shows a web browser window titled "Naviextras Toolbox - [http://www.iop.demo.naviextras.com/]". The interface features a top navigation bar with the "naviextras" logo and icons for "Harley Davidson", "nng_atohts", "About", and "Help". A left sidebar contains menu items: "Home", "Maps", "Device" (highlighted), "Backup", "Settings", and "Extras". At the bottom of the sidebar, it displays "My Navigation device: Harley Davidson" and "Flash: 3.6 GB / 7.3 GB". The main content area is titled "Content overview" and contains a large grey box with the text "Your device is up-to-date." and a small image of a navigation device. An "Install" button is located at the bottom right of this box. A status bar at the very bottom of the browser window shows the message "Offers updated. Comparing data on the device with the server responses."

1.5 Content purchase and download via Toolbox

Step 12: Click on the „Install” button to start downloading the content to the USB memory stick

The screenshot shows the Naviextras Toolbox web interface. The browser title is "Naviextras Toolbox - [http://www.iop.demo.naviextras.com/]". The interface has a dark grey header with the "naviextras" logo and user information: "Harley Davidson", "rng_aloth5", and "About". A help icon is also present. On the left, there is a vertical sidebar with buttons for "Home", "Maps", "Updates" (highlighted in orange), "Backup", "Settings", and "Extras". At the bottom of the sidebar, it displays "My Navigation device: Harley Davidson" and "Flash: 3.2 GB / 7.3 GB". The main content area has a light blue header with the text "New contents available". Below this, a grey box contains the message: "You have 1 new package to install: - Map of North America". A yellow "Install" button is located at the bottom right of the main content area.

1.5 Content purchase and download via Toolbox

Step 13: Wait until the download is completed. This takes about 1 hour

The screenshot shows the Naviextras Toolbox web interface. The browser window title is "Naviextras Toolbox - [http://www.iop.demo.naviextras.com/] (Not Responding)". The interface includes a top navigation bar with the Naviextras logo, user information (Harley Davidson, rmg_aloth5), and links for About and Help. A left sidebar contains navigation buttons for Home, Maps, Updates (highlighted in orange), Backup, Settings, and Extras. At the bottom left of the sidebar, it displays "My Navigation device: Harley Davidson" and "Flash: 3.6 GB / 7.3 GB". The main content area shows a "New contents available" notification. A modal dialog box is open in the center, titled "Working... 0%", with two empty progress bars. Below the progress bars, it says "Getting download location for:USA_Ohio speed profile" and has a "Show details" checkbox (unchecked). A "Cancel" button is at the bottom of the dialog. An "Install" button is visible in the bottom right corner of the main content area.

1.5 Content purchase and download via Toolbox

Step 14: Click „OK” when the operation completed successfully

The screenshot shows the Naviextras Toolbox interface. A central dialog box displays the message: "The requested operation was completed successfully." Below the message, there are two checkboxes: "Show details" (checked) and "Show only errors" (unchecked). A yellow box highlights the "OK" button. Below the dialog box, a table lists the items and their actions and results.

2.2 Content download via Naviextras Webpage

Step 2: Click on the Intercontinental Replacement item

The screenshot shows the Naviextras website interface. At the top left, there are logos for Harley-Davidson and Naviextras.com. The top right navigation bar includes a user profile icon, a shopping cart icon labeled 'Cart & history 1 items in cart', and a language selection dropdown set to 'English'. The main content area is titled 'UPDATES AND EXTRAS FOR YOUR' and features a sidebar on the left with navigation options: 'HARLEY DAVIDSON MORE DEVICES', 'HARLEY DAVIDSON PREMIUM EU DETAILS', 'Maps & more', 'Intercontinental replacement' (highlighted in yellow), 'Intercontinental restoration', 'Redeem code or activate', and 'Support, customer care'. The main content area is titled 'INTERCONTINENTAL REPLACEMENT' and contains the following text: 'These replacement packages entitle you to replace your factory map set in case you would like to visit another region. Please note that you will be able to restore your original package at any time for free, while the replacement packages are available on different prices. For step by step instructions please visit our "How to" pages [HERE](#).' Below this, under 'Available packages:', there is a map of North America and a description: 'Download and replace your existing package to **North America CVO package for 159.95\$**. This replacement entitles you to download and install the latest version of this package at the time of your purchase. You can restore to your original package at any time. You should retain your replacement package in the event that you need to reinstall it in the future. Your activation code can be found through the update history in your shopping cart.' Further details include: 'The latest maps for North America.', 'Includes: Canada, Mexico, Puerto Rico, United States.', 'Road coverage with over 7 026 900 miles / 11 308 700 kilometers of updated roads.', and 'NACVO-MY2017 Package size: 3411 MB'. A 'Download' button is located at the bottom right of the package description.

2.2 Content download via Naviextras Webpage

Step 3: Select the region and click „Download”

The screenshot shows the Naviextras website interface. At the top left, there are logos for Harley-Davidson and Naviextras.com. The top right navigation bar includes a user profile icon, a shopping cart icon labeled 'Cart & history 1 items in cart', and a language selector set to 'English'. The main content area is titled 'UPDATES AND EXTRAS FOR YOUR' and features a sidebar with navigation options: 'Maps & more', 'Intercontinental replacement', 'Intercontinental restoration', 'Redeem code or activate', and 'Support, customer care'. The 'Intercontinental replacement' option is selected, leading to a detailed page. This page has a sub-header 'INTERCONTINENTAL REPLACEMENT' and a paragraph explaining that these packages allow users to replace their factory map set for visiting other regions. It notes that users can restore their original package for free and provides a link 'HERE' for step-by-step instructions. Below this, the 'Available packages:' section features a map of North America and details for the 'NACVO-MY2017' package, including its size (3411 MB) and a 'Download' button with a right-pointing arrow.

2.2 Content download via Naviextras Webpage

Step 4: Wait until the download is completed

The screenshot shows a web browser window with the URL <https://harley-davidson.naviextras.com/shop/portal/p2Show?theme=pageReplacement>. The page features the Harley-Davidson logo and the Naviextras.com branding. A navigation bar includes a user profile icon with the text "Welcome Guest user! Log in or register" and a language selector set to "English".

The main content area is titled "UPDATES AND EXTRAS FOR YOUR" and lists two categories: "HARLEY DAVIDSON" and "HARLEY DAVIDSON PREMIUM NA". Under "HARLEY DAVIDSON", there are links for "MORE DEVICES" and "DETAILS". A product image of a navigation device is shown below these links.

A vertical menu on the left side of the page lists several options with right-pointing arrow icons: "Maps & more", "Intercontinental replacement", "Intercontinental restoration", "Redeem code or activate", and "Support, customer care".

The "INTERCONTINENTAL REPLACEMENT" section is highlighted. It contains the following text: "These replacement packages entitle you to replace your factory map set in case you would like to visit another region. Please note that you will be able to restore your original package at any time for free, while the replacement packages are available on different prices. For step by step instructions please visit our "How to" pages [HERE](#)."

Under the heading "Available packages:", there are two package options, each with a map of North America:

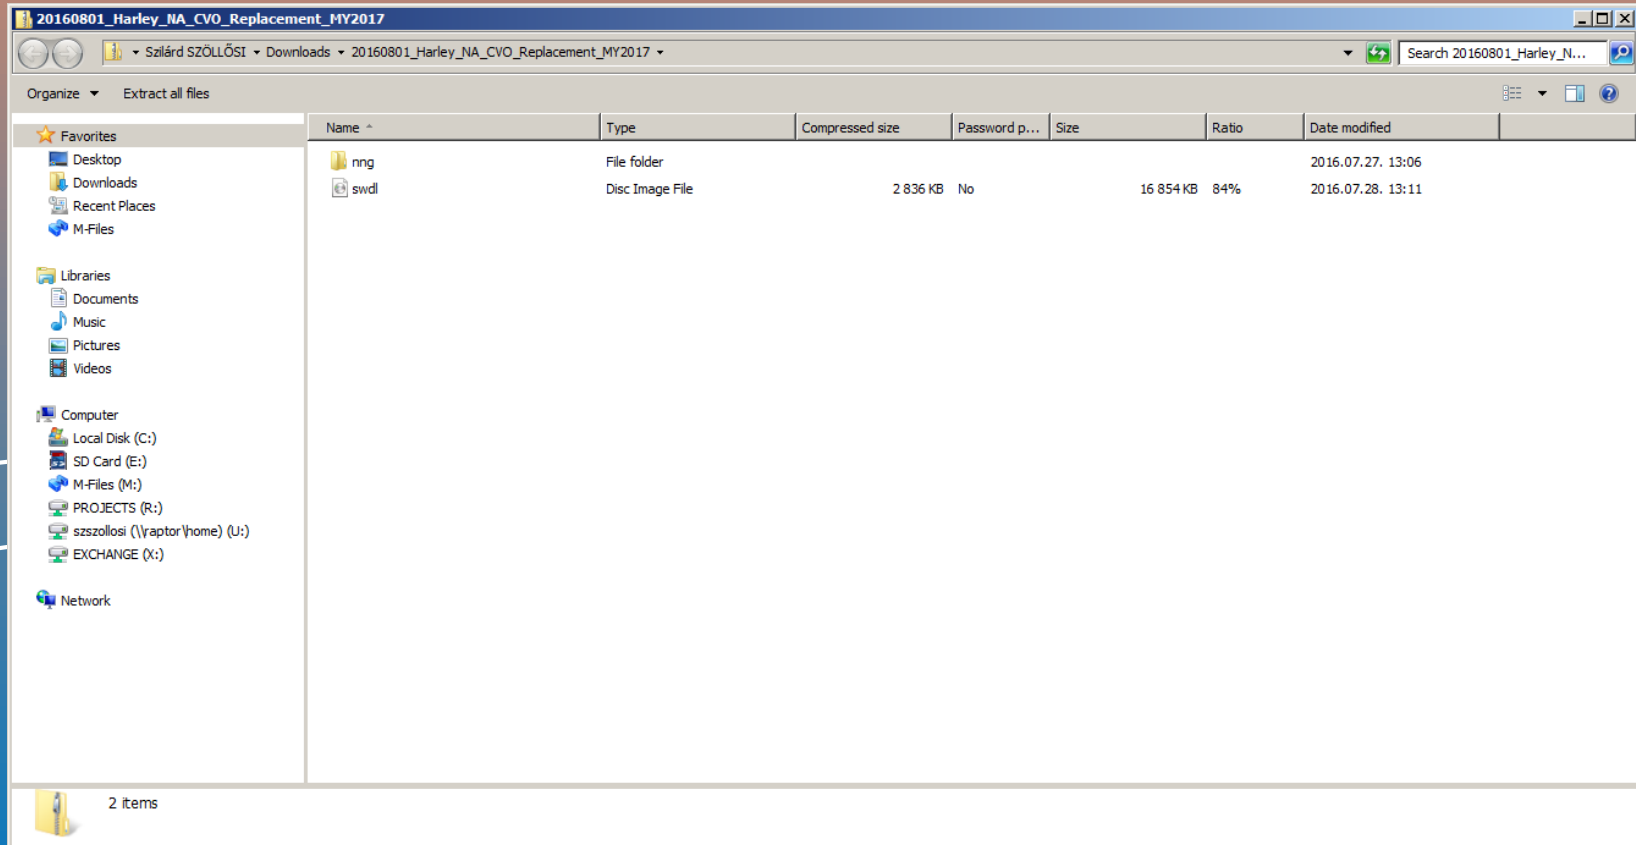

- North America CVO package for 159.95\$:** This replacement entitles you to download and install the latest version of this package at the time of your purchase. You can restore to your original package at any time. You should retain your replacement package in the event that you need to reinstall it in the future. Your activation code can be found through the update history in your shopping cart.
The latest maps for North America.
Includes: Canada, Mexico, Puerto Rico, United States.
Road coverage with over 7 026 900 miles / 11 308 700 kilometers of updated roads.

A yellow notification box in the bottom left corner indicates that a file named "20160801_Harley_N...zip" is opening in 1 minute.

2.2 Content download via Naviextras Webpage

Step 5: Click on the downloaded file to open it in a windows explorer

Note1: After the download is finished, the zip file can be found here:

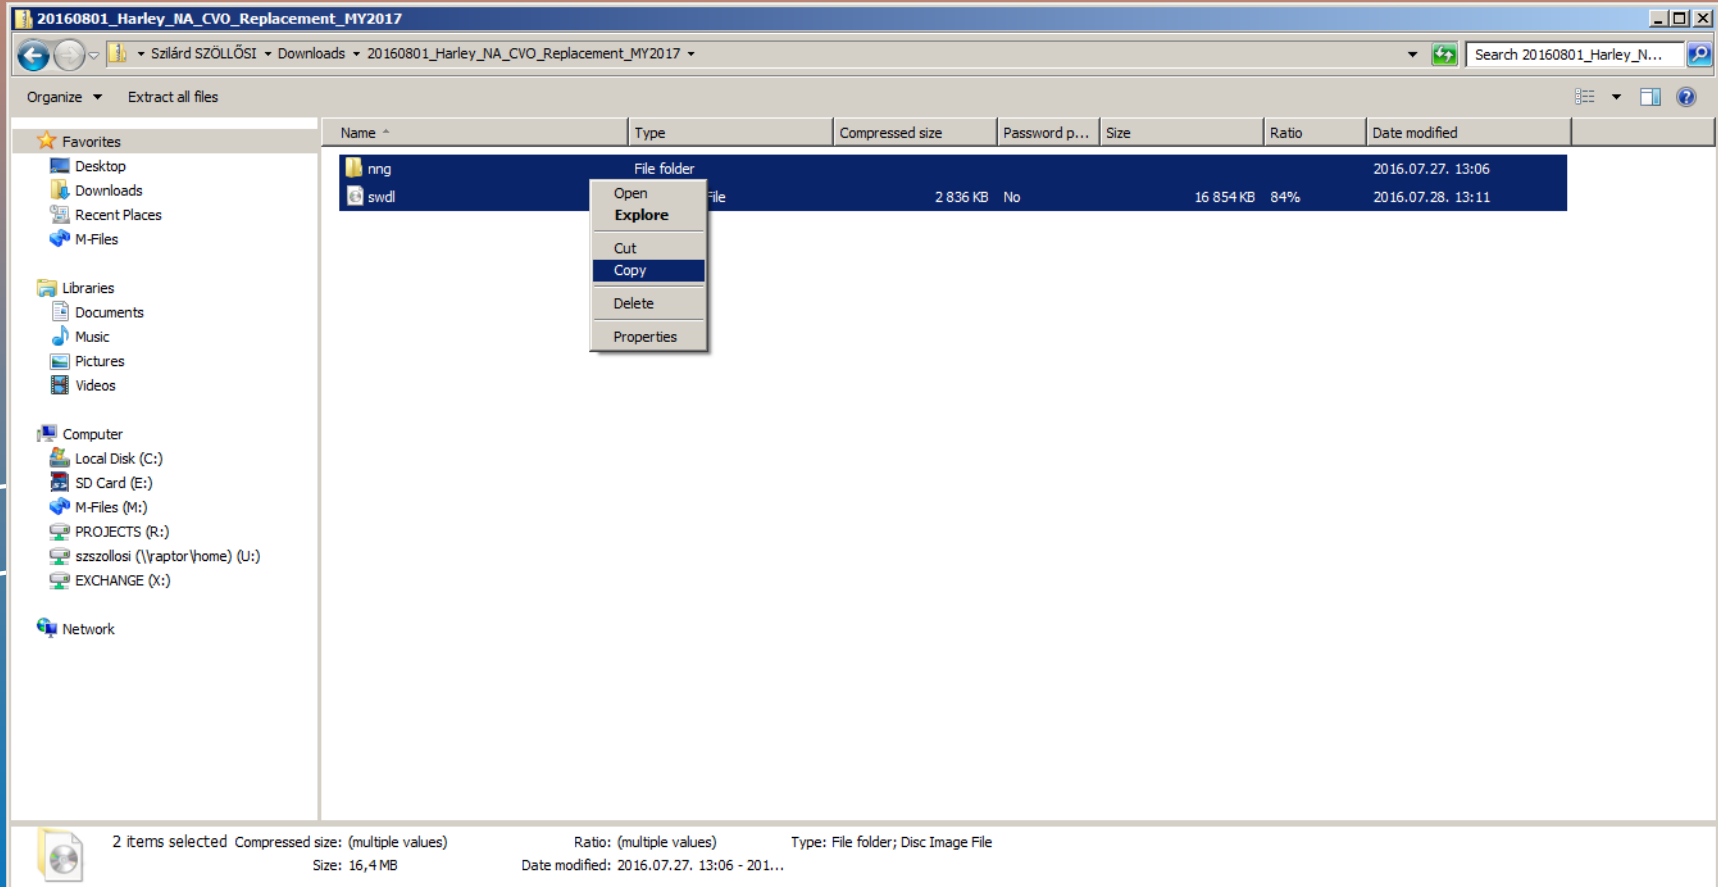

C:\Users\{username}\Downloads

Note2: When the .zip is extracted and copied to the USB memory stick, the root of the stick should contain an „nng” folder and an „swdl.iso” file.

2.2 Content download via Naviextras Webpage

Step 6: Select the two files and copy them to the clipboard

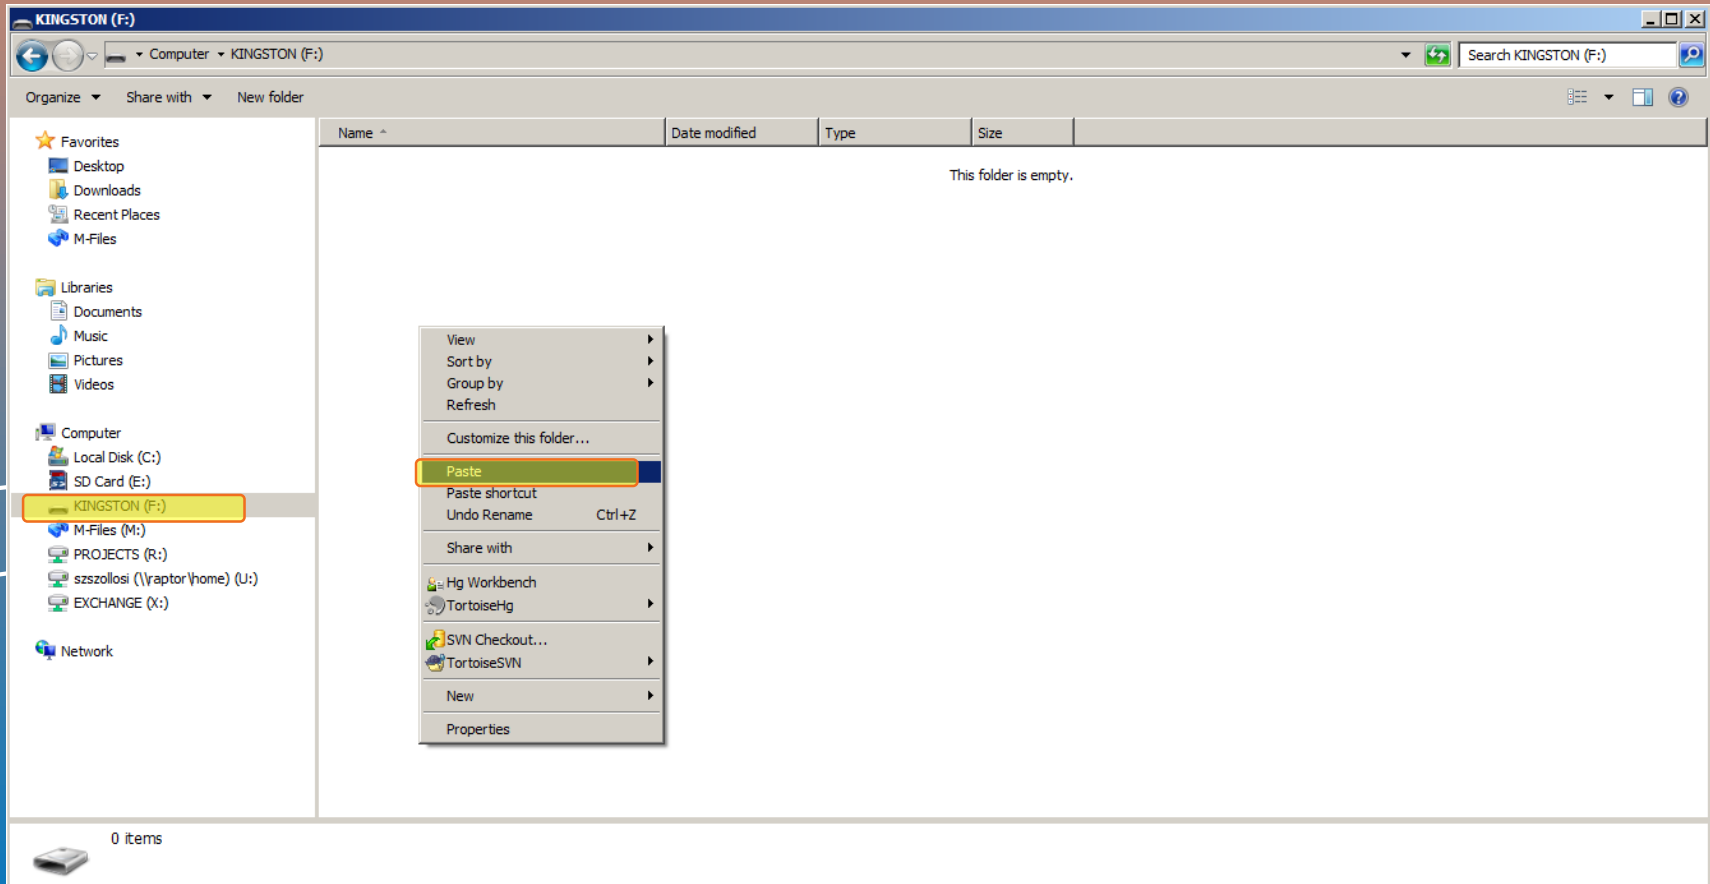

Note: After the download is finished, the zip file can be found here:
C:\Users\{username}\Downloads

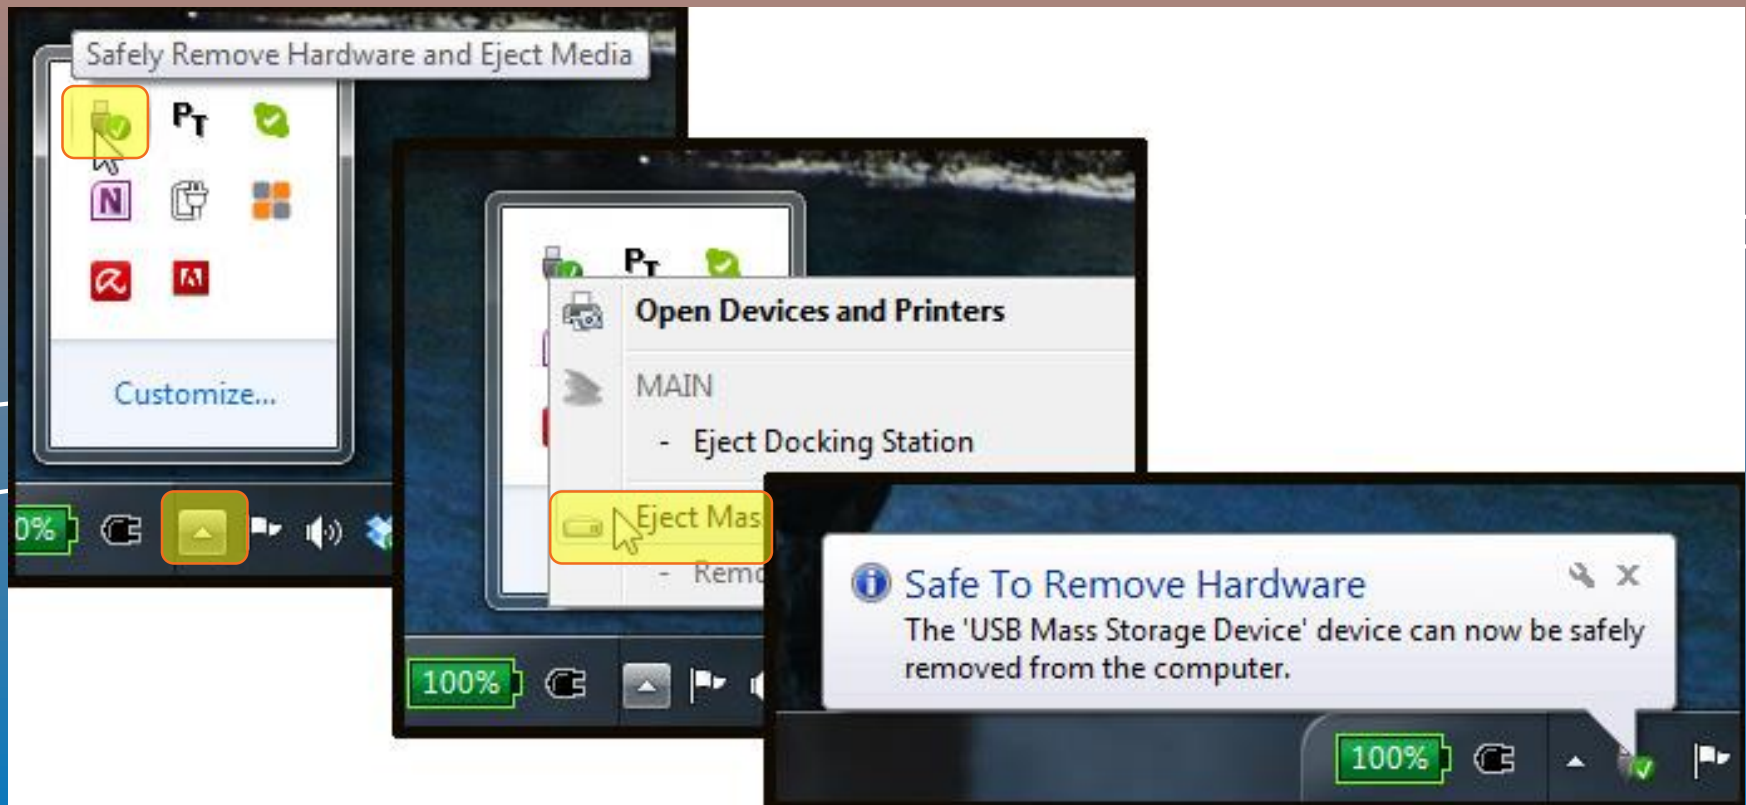

2.2 Content download via Naviextras Webpage

Step 7: Select the USB memory stick drive and paste the two files to the root

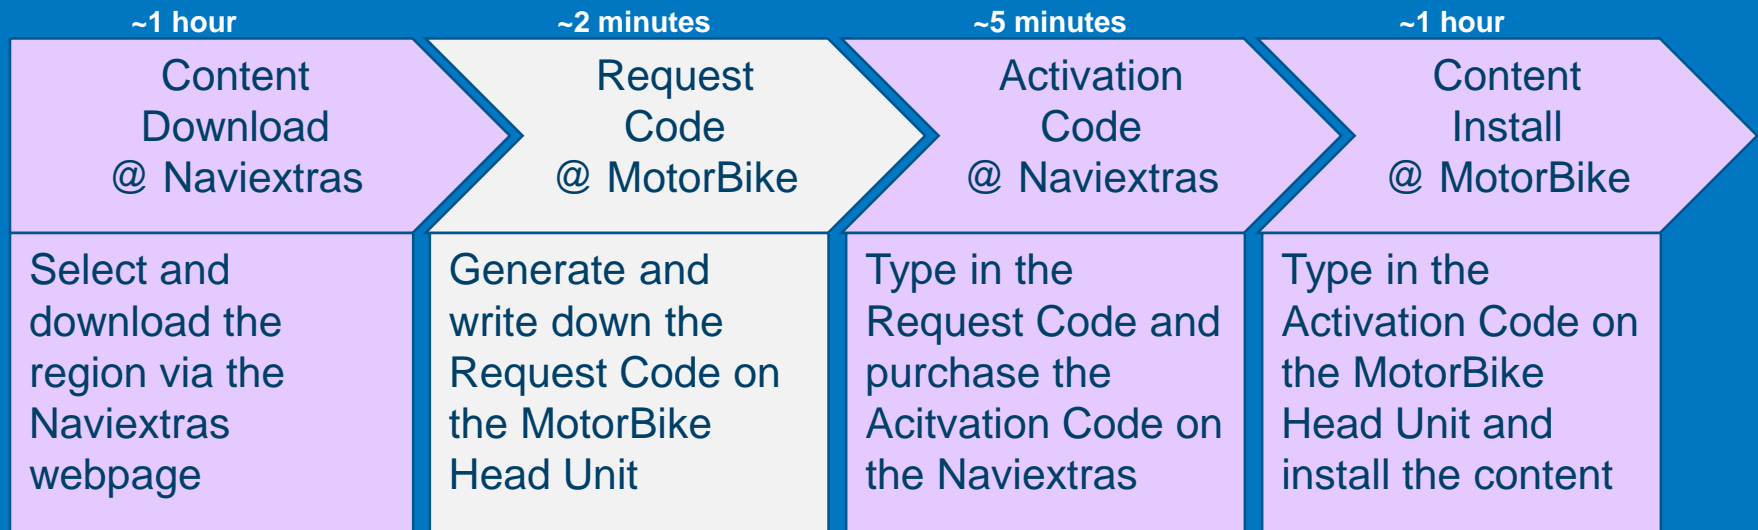

Note: When the .zip is extracted and copied to the USB memory stick, the root of the stick should contain an „nng” folder and an „swdl.iso” file.

Step 8: *When ready, safely remove the USB memory stick from the computer*

2.3 Request code generation at MotorBike HeadUnit

2.3 Request Code generation at the MotorBike

Step 1: Connect the previously used USB memory stick to your MotorBike and press „OK”

2.3 Request Code generation at the MotorBike

Step 2: *Wait until the authentication process performs successfully.*

2.3 Request Code generation at the MotorBike

Step 3: To get the request code, click on „Next“.

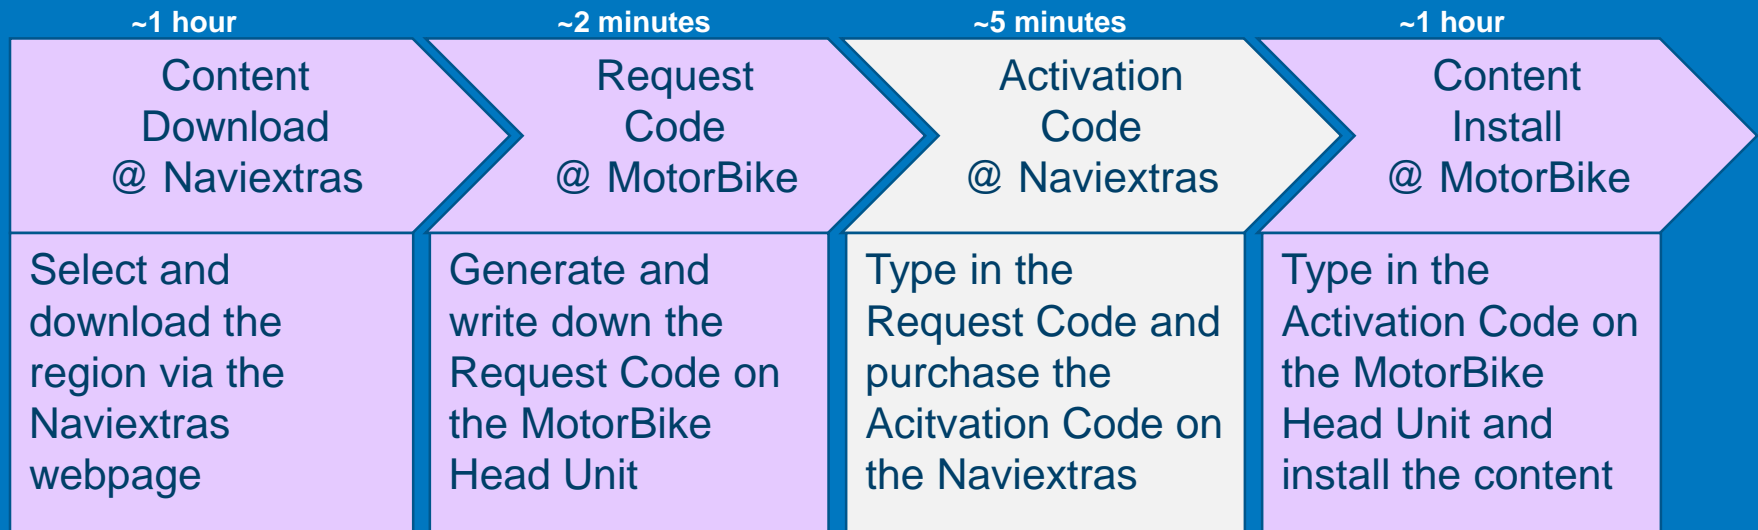

2.3 Request Code generation at the MotorBike

Step 4: Write down the 22 digit-long request code. Leave the USB memory stick in the HeadUnit.

2.4 Activation code purchase via Naviextras Webpage

2.4 Activation code purchase via Naviextras

Step 1: Click on the „Redeem code or activate” item (harley-davidson.naviextras.com)

The screenshot displays the Naviextras website interface. At the top left, the Harley-Davidson logo and the URL naviextras.com are visible. The top right navigation bar includes a user profile for 'Szilard Szollosi', a shopping cart icon with '0 items in cart', and a signal strength icon. On the left side, under the heading 'UPDATES AND EXTRAS FOR YOUR', there are two links: 'HARLEY DAVIDSON MORE DEVICES' and 'HARLEY DAVIDSON CVO NA DETAILS'. Below these links is an image of a navigation device. A vertical menu on the left contains five items: 'Maps & more', 'Intercontinental replacement', 'Intercontinental restoration', 'Redeem code or activate' (highlighted with a yellow border), and 'Support, customer care'. The main content area is titled 'Code redemption' and contains the following text: 'If you received an update card or code bundled with your navigation device, or you have a coupon code, please enter the code and click on the redeem button.' Below this text is a large empty text input field. To the right of the input field is a 'REDEEM' button with an orange arrow icon.

2.4 Activation code purchase via Naviextras

Step 2: Enter the 22 digit-long request code to the code redemption textbox.

The screenshot displays the Naviextras website interface. At the top left, the Harley-Davidson logo and the naviextras.com URL are visible. The top right navigation bar includes a user profile icon for 'Szilard Szollosi', a shopping cart icon showing '0 items in cart', and a mobile device icon. On the left side, under the heading 'UPDATES AND EXTRAS FOR YOUR', there are links for 'HARLEY DAVIDSON MORE DEVICES' and 'HARLEY DAVIDSON CVO NA DETAILS'. Below these links is an image of a navigation device. A vertical menu on the left contains five items: 'Maps & more', 'Intercontinental replacement', 'Intercontinental restoration', 'Redeem code or activate', and 'Support, customer care'. The main content area is titled 'Code redemption' and contains the instruction: 'If you received an update card or code bundled with your navigation device, or you have a coupon code, please enter the code and click on the redeem button.' A yellow rectangular input field is highlighted, containing the placeholder text 'XXXX-XXXX-XXXX-XXXX-XXXX-XX'. To the right of this field is a 'REDEEM' button with an orange arrow icon.

2.4 Activation code purchase via Naviextras

Step 3: Click on the „Redeem” button.

The screenshot shows the Naviextras website interface. At the top left, there are logos for Harley-Davidson and Naviextras.com. The top right navigation bar includes a user profile for 'Szilard Szollosi', a shopping cart icon with '0 items in cart', and a signal strength icon. On the left side, under 'UPDATES AND EXTRAS FOR YOUR', there are links for 'HARLEY DAVIDSON' (with 'MORE DEVICES' and a right arrow) and 'HARLEY DAVIDSON CVO NA' (with 'DETAILS' and a right arrow). Below these links is an image of a navigation device. At the bottom left, there is a vertical menu with five items: 'Maps & more', 'Intercontinental replacement', 'Intercontinental restoration', 'Redeem code or activate', and 'Support, customer care', each with a right-pointing arrow. The main content area is titled 'Code redemption' and contains the text: 'If you received an update card or code bundled with your navigation device, or you have a coupon code, please enter the code and click on the redeem button.' Below this text is a text input field containing the placeholder code 'XXXX-XXXX-XXXX-XXXX-XXXX-XX'. To the right of the input field is a yellow 'REDEEM' button with a right-pointing arrow.

2.4 Activation code purchase via Naviextras

Step 4: Doublecheck the request code and check the price. If all is ok, click on the „ACTIVATE” button.

A download progress bar is visible at the bottom left of the browser window, showing a file named "20160801_Harley_N...zip" with a size of 0.033 GB and 27 mins left.

3.2 Content download via Naviextras Webpage

Step 5: Click on the downloaded file to open it in a windows explorer

Note1: After the download is finished, the zip file can be found here:

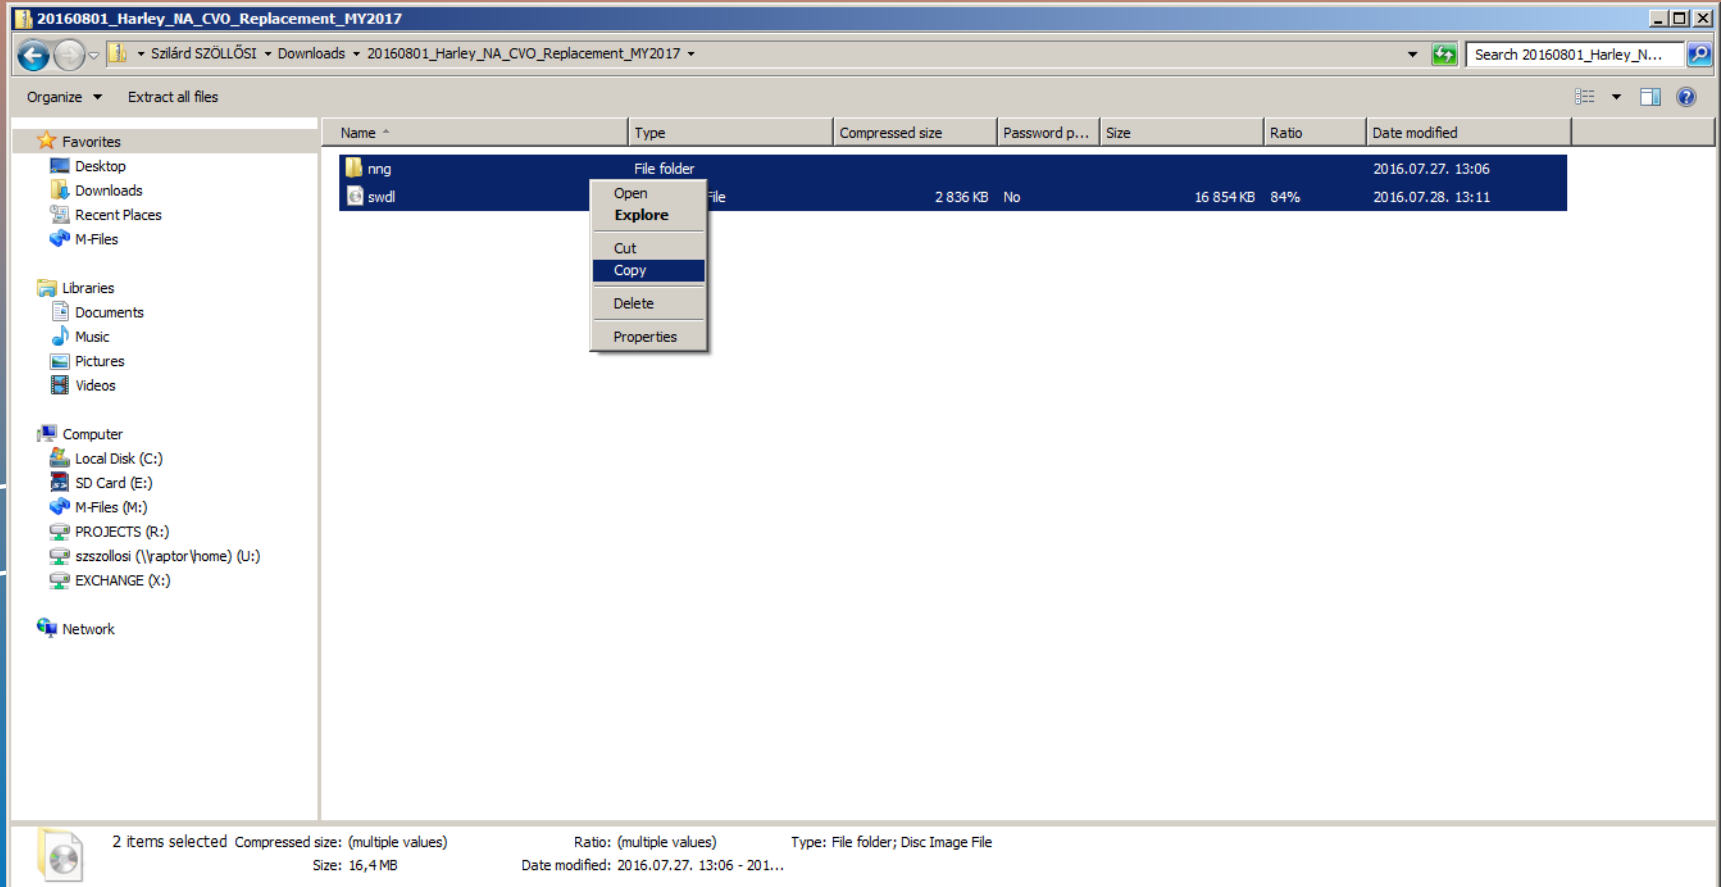

C:\Users\{username}\Downloads

Note2: When the .zip is extracted and copied to the USB memory stick, the root of the stick should contain an „nng” folder and an „swdl.iso” file.

3.2 Content download via Naviextras Webpage

Step 6: Select the two files and copy them to the clipboard

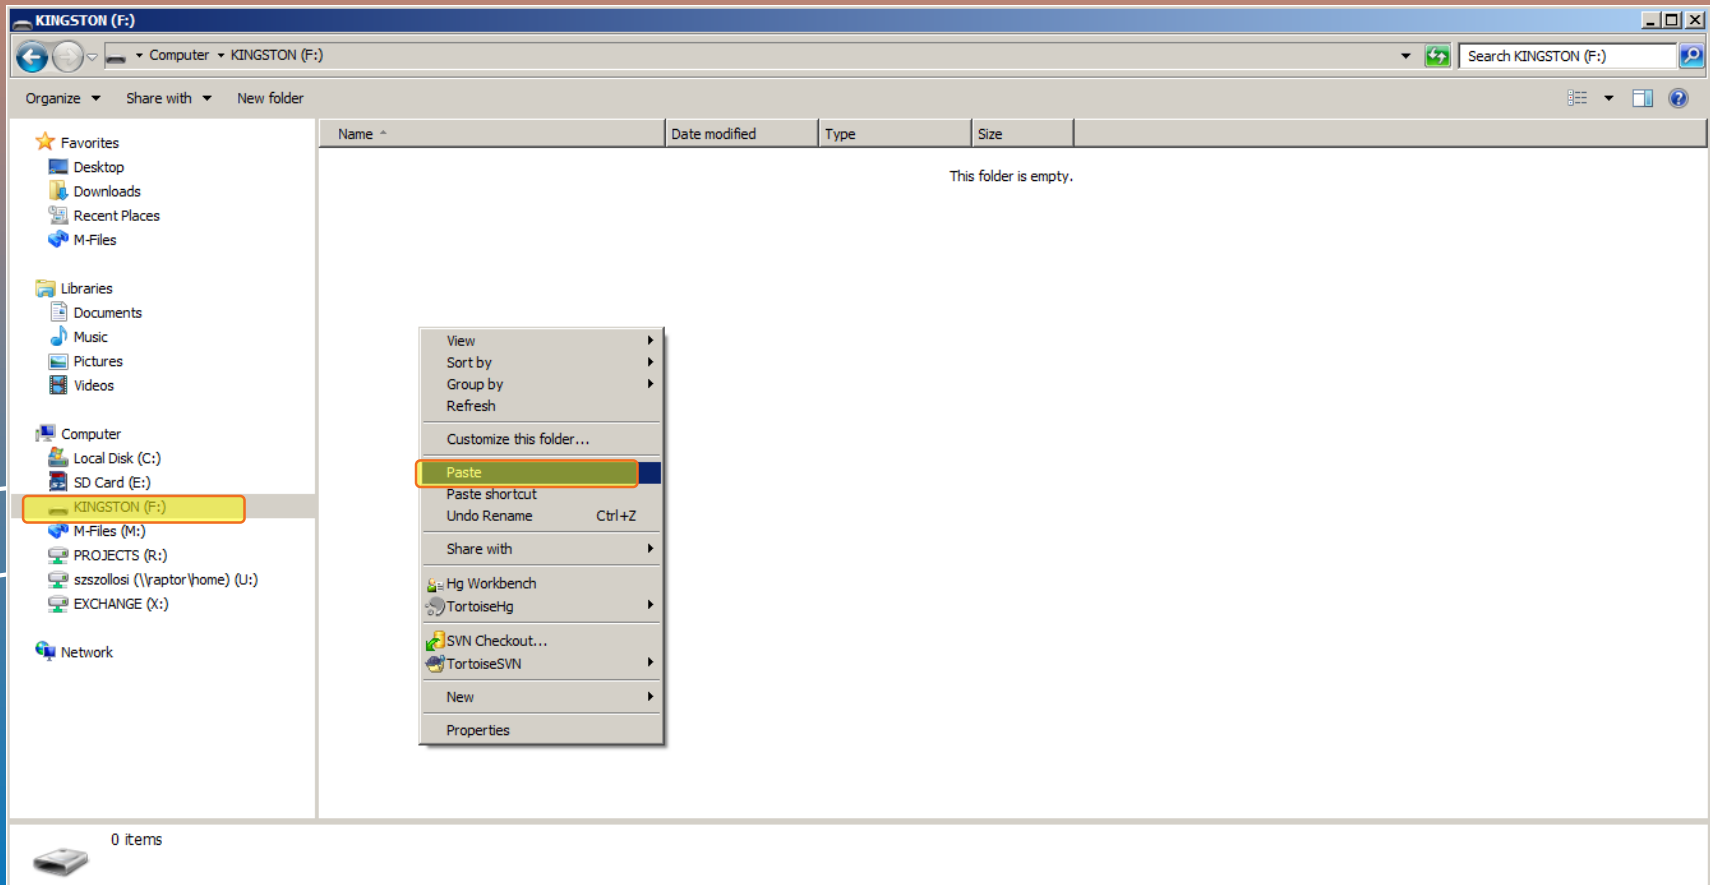

Note: After the download is finished, the zip file can be found here:
C:\Users\{username}\Downloads

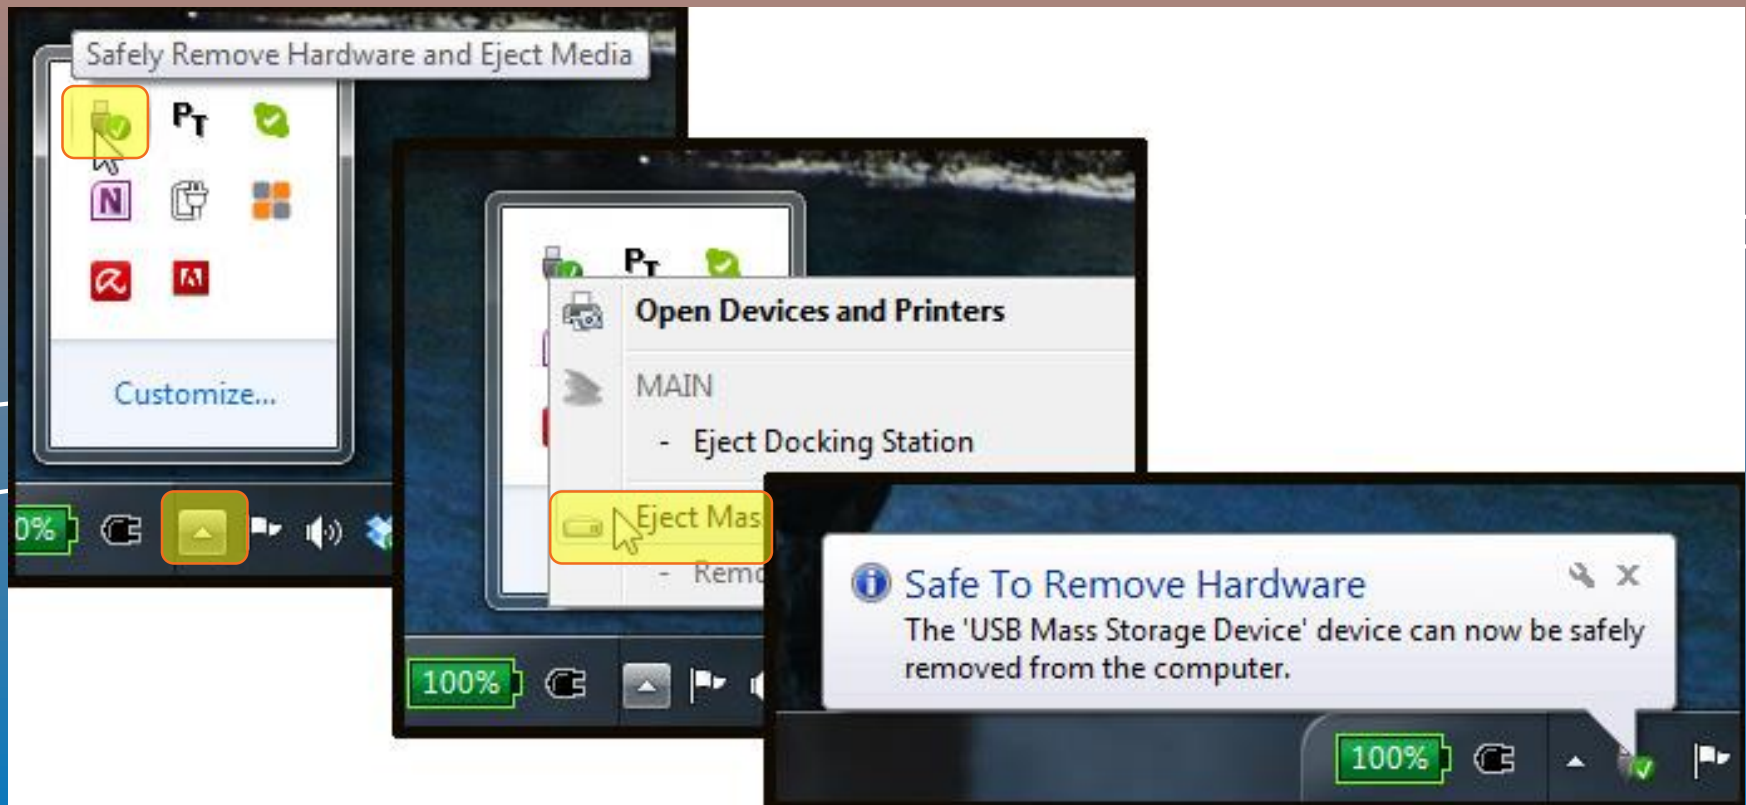

3.2 Content download via Naviextras Webpage

Step 7: Select the USB memory stick drive and paste the two files to the root

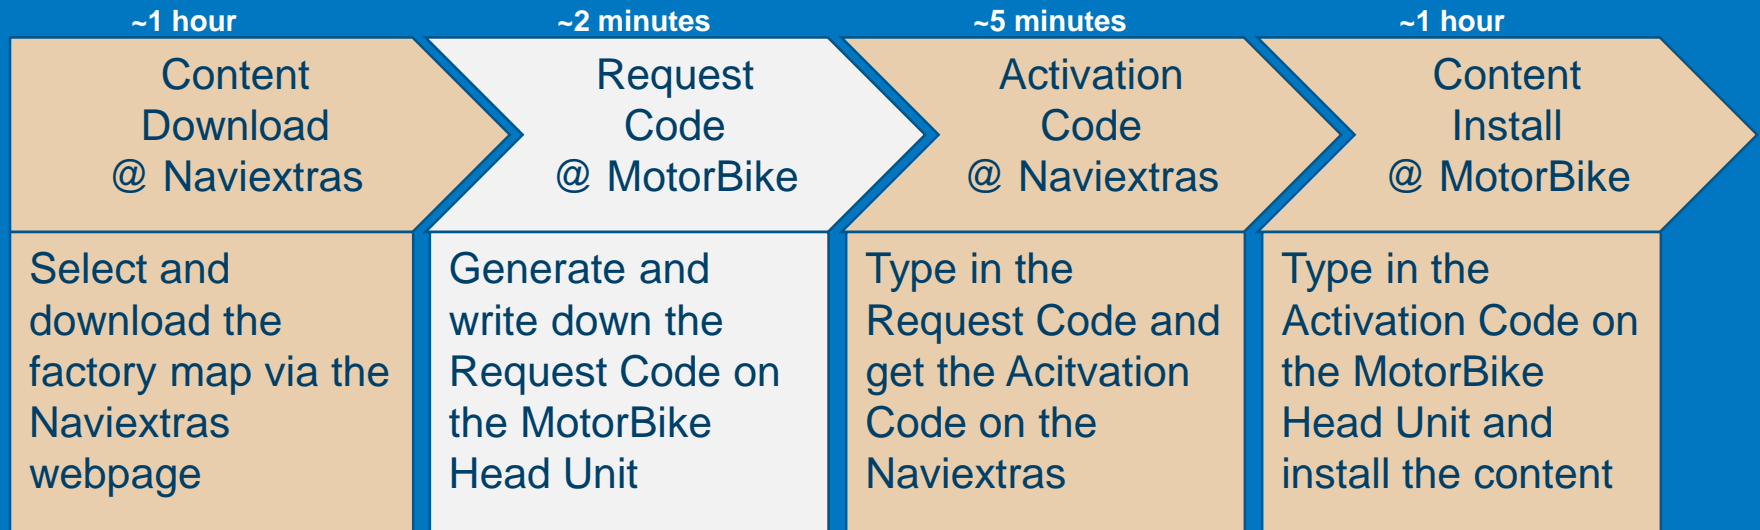

Note: When the .zip is extracted and copied to the USB memory stick, the root of the stick should contain an „nng” folder and an „swdl.iso” file.

Step 8: *When ready, safely remove the USB memory stick from the computer*

3.3 Request code generation at MotorBike HeadUnit

3.3 Request Code generation at the MotorBike

Step 1: Connect the previously used USB memory stick to your MotorBike and press „OK”

3.3 Request Code generation at the MotorBike

Step 2: Wait until the authentication process performs successfully.

3.3 Request Code generation at the MotorBike

Step 3: To get the request code, click on „Next”.

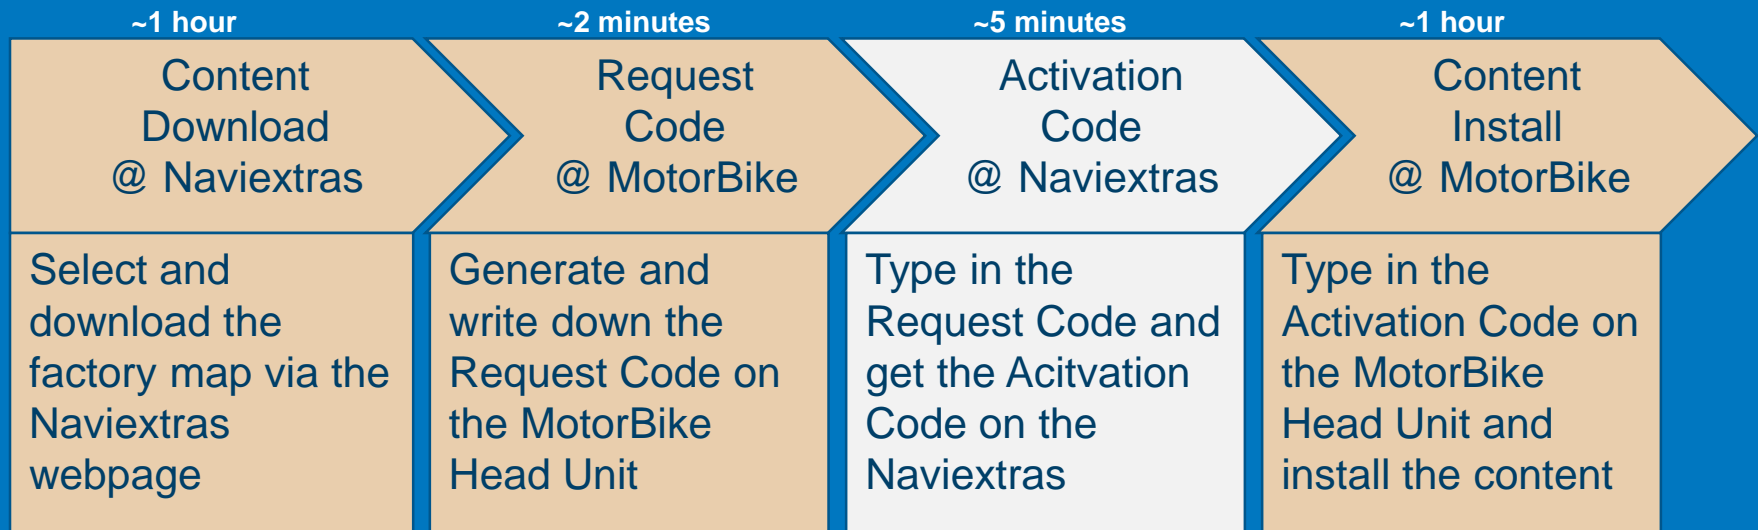

3.3 Request Code generation at the MotorBike

Step 4: Write down the 22 digit-long request code. Leave the USB memory stick in the HeadUnit.

3.4 Activation code via Naviextras Webpage

3.4 Activation code via Naviextras

Step 1: Click on the „Redeem code or activate” item (harley-davidson.naviextras.com)

The screenshot shows the Naviextras website interface. At the top left, there is the Harley-Davidson logo and the URL naviextras.com. The top right navigation bar includes a user profile icon for 'Szilard Szollosi', a shopping cart icon with '0 items in cart', and a signal strength icon. On the left side, under the heading 'UPDATES AND EXTRAS FOR YOUR', there are two links: 'HARLEY DAVIDSON MORE DEVICES' and 'HARLEY DAVIDSON CVO NA DETAILS'. Below these links is an image of a navigation device. A vertical menu on the left contains five items: 'Maps & more', 'Intercontinental replacement', 'Intercontinental restoration', 'Redeem code or activate' (highlighted with a yellow border), and 'Support, customer care'. The main content area is titled 'Code redemption' and contains the text: 'If you received an update card or code bundled with your navigation device, or you have a coupon code, please enter the code and click on the redeem button.' Below this text is a large empty text input field. To the right of the input field is a 'REDEEM' button with an orange arrow icon.

3.4 Activation code via Naviextras

Step 2: Enter the 22 digit-long request code to the code redemption textbox.

The screenshot shows the Naviextras website interface. At the top left, there is a Harley-Davidson logo and the URL naviextras.com. The top right navigation bar includes a user profile icon for 'Szilard Szollosi', a shopping cart icon for 'Cart & history 0 items in cart.', and a mobile phone icon. On the left side, under 'UPDATES AND EXTRAS FOR YOUR', there are links for 'HARLEY DAVIDSON MORE DEVICES' and 'HARLEY DAVIDSON CVO NA DETAILS'. Below these links is an image of a navigation device. A vertical menu on the left contains options: 'Maps & more', 'Intercontinental replacement', 'Intercontinental restoration', 'Redeem code or activate', and 'Support, customer care'. The main content area is titled 'Code redemption' and contains the instruction: 'If you received an update card or code bundled with your navigation device, or you have a coupon code, please enter the code and click on the redeem button.' Below this instruction is a yellow input field containing the placeholder text 'XXXX-XXXX-XXXX-XXXX-XXXX-XX'. To the right of the input field is a 'REDEEM' button with an orange arrow icon.

3.4 Activation code via Naviextras

Step 3: Click on the „Redeem” button.

The screenshot shows the Naviextras website interface. At the top left, there are logos for Harley-Davidson and naviextras.com. The top right navigation bar includes a user profile for 'Szilard Szollosi', a shopping cart with '0 items in cart', and a mobile phone icon. On the left side, under 'UPDATES AND EXTRAS FOR YOUR', there are links for 'HARLEY DAVIDSON' (with 'MORE DEVICES' and 'DETAILS' sub-links) and 'HARLEY DAVIDSON CVO NA'. Below these links is an image of a navigation device. At the bottom left, there is a vertical menu with icons and text for 'Maps & more', 'Intercontinental replacement', 'Intercontinental restoration', 'Redeem code or activate', and 'Support, customer care'. The main content area is titled 'Code redemption' and contains the instruction: 'If you received an update card or code bundled with your navigation device, or you have a coupon code, please enter the code and click on the redeem button.' Below this text is a text input field containing the placeholder code 'XXXX-XXXX-XXXX-XXXX-XXXX-XX'. To the right of the input field is a prominent yellow 'REDEEM' button with a right-pointing arrow icon.

3.4 Activation code via Naviextras

Step 4: Write down your activation code

4.3 Toolbox PC application launch

4.3 Toolbox PC application launch

Step 1: Connect the previously used USB memory stick to your PC

4.3 Toolbox PC application launch

*Step 2: Launch the Naviextras Toolbox from the Start menu or from the Desktop**

* Toolbox can be downloaded from this [link](#)

4.3 Toolbox PC application launch

Step 3: Log in to the Toolbox

The screenshot shows a web browser window titled "Naviextras Toolbox - [http://www.iop.demo.naviextras.com/]". The browser's address bar and the application's header bar both display "Harley Davidson". The header bar also includes the status "Not logged in" and navigation links for "About" and "Help".

The main content area is titled "Logging in to Harley-Davidson.naviextras.com" and contains the following elements:

- A heading: "Log in using your Harley-Davidson.naviextras.com username and password."
- Form fields for "Username" and "Password".
- A "Remember me" checkbox.
- A yellow "LOGIN" button.
- Links for "CREATE A USER PROFILE" and "FORGOT USERNAME OR PASSWORD?".

A left-hand sidebar contains navigation buttons for "Home", "Maps", "Device", "Backup", "Settings", and "Extras". At the bottom of the sidebar, it displays: "My Navigation device: Harley Davidson" and "Flash: 3.6 GB / 7.3 GB".

At the bottom of the browser window, a status bar shows the message: "Device couldn't register to the update server. Parsing contents on device:: Worldwide_HarleyDavidson.poi.stm".

4.3 Toolbox PC application launch

Step 4: On the important system update infobox click „OK”

The screenshot displays the Naviextras Toolbox PC application interface. The browser window title is "Naviextras Toolbox - [http://www.iop.demo.naviextras.com/]". The application has a dark grey header with the "naviextras" logo on the left and navigation links for "Harley Davidson", "mp_atohs", "About", and "Help" on the right. A left sidebar contains buttons for "Home", "Maps", "Device", "Backup", "Settings", and "Extras". At the bottom left of the sidebar, it shows "My Navigation device: Harley Davidson" and "Flash: 3.5 GB / 7.3 GB". The main content area features a cityscape background image. On the right side, there is a vertical menu with options: "PROFILE", "CODE REDEMPTION", "TRANSACTION HISTORY", and "SUPPORT, CUSTOMER CARE". A central dialog box with a white background and a black border is overlaid on the main content. The dialog box contains the following text: "There is an important system update available for you." followed by "Please do not disconnect your USB storage device during the update process." At the bottom of the dialog box is a yellow "OK" button with a black border.

4.3 Toolbox PC application launch

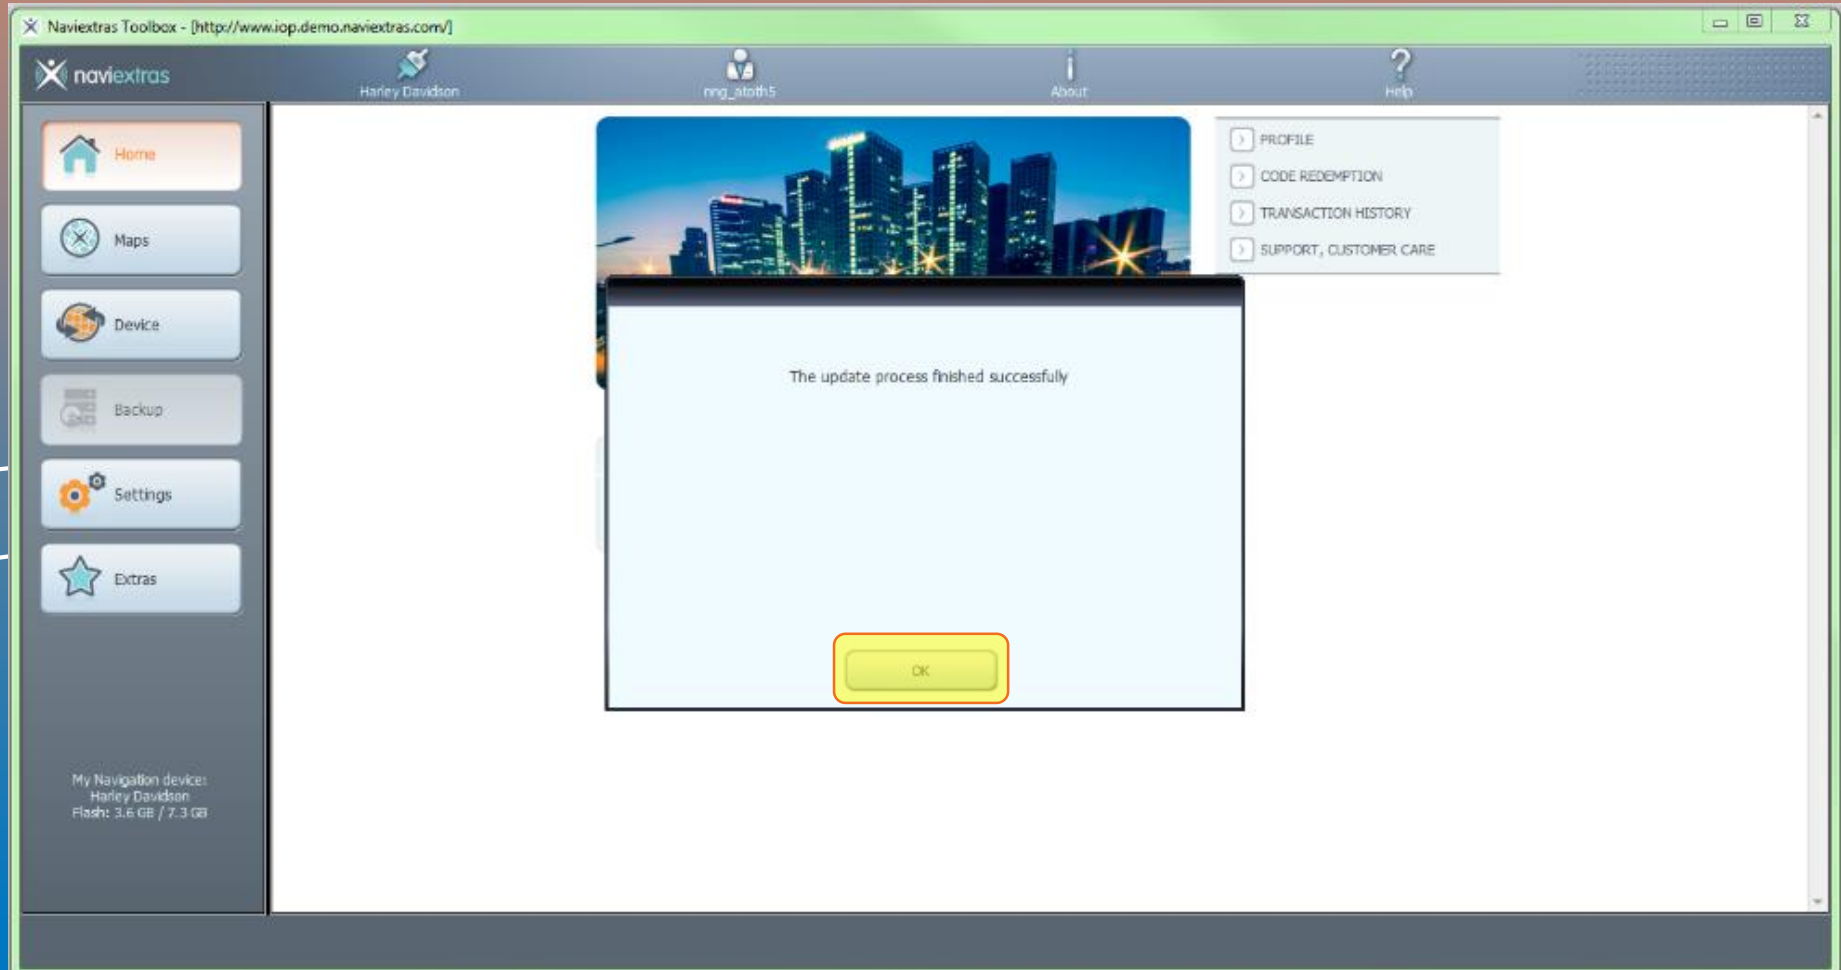

Step 5: Wait until the installation of the system update is finished

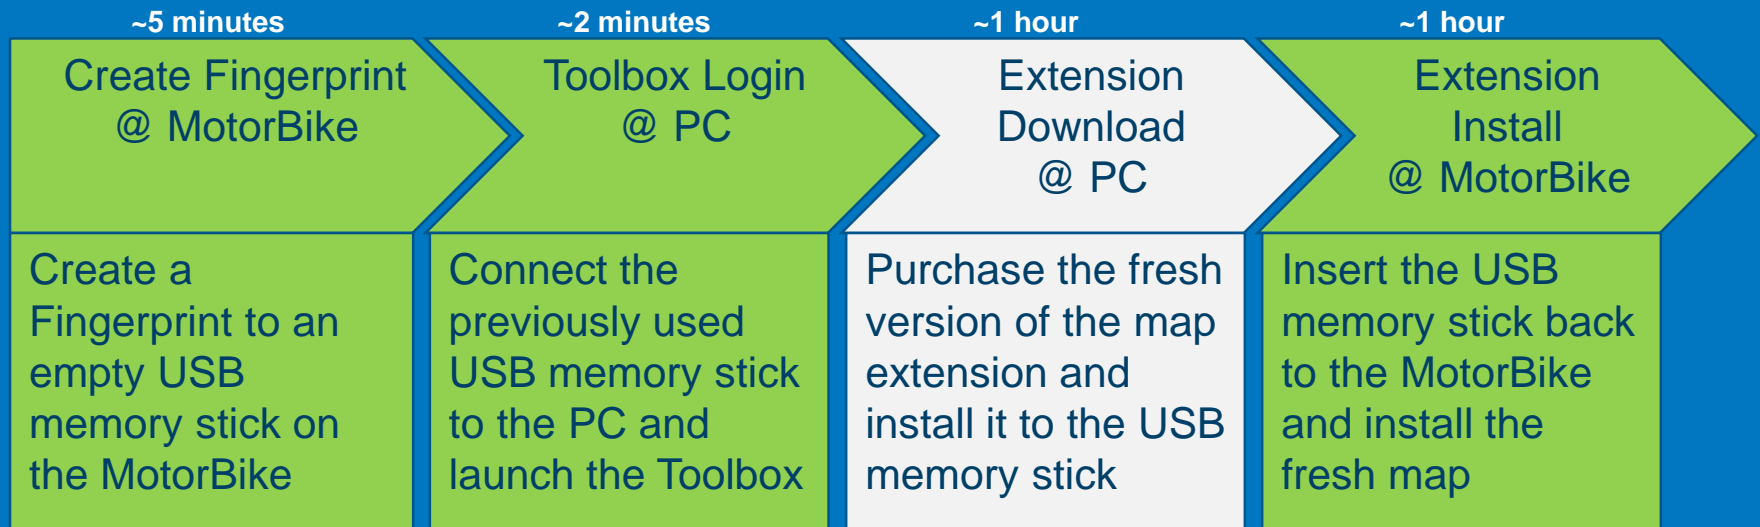

4.3 Toolbox PC application launch

Step 6: Click „OK” when the update process finished successfully

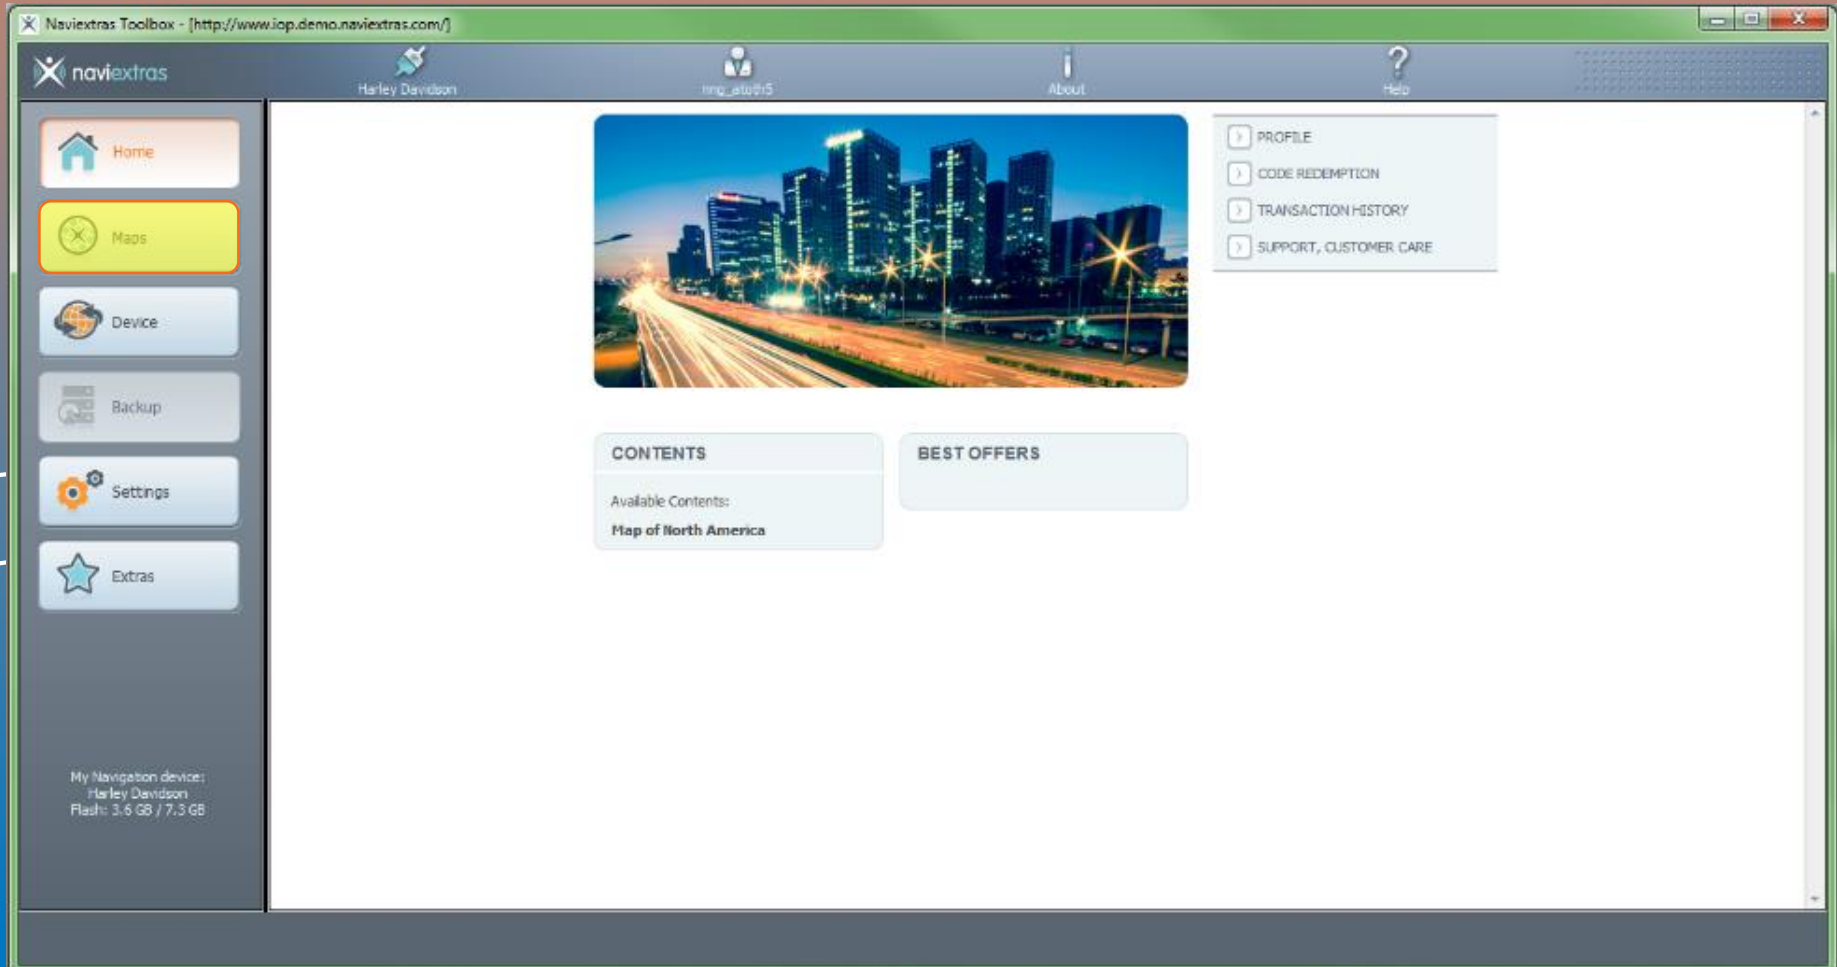

4.4 Extension download via Toolbox

4.4 Content purchase and download via Toolbox

Step 1: In the main window press „Maps” on the left

4.4 Content purchase and download via Toolbox

Step 2: Select any ROW sub-region by clicking on „READ MORE” button

The screenshot shows the Naviextras Toolbox web interface. The browser address bar displays "Naviextras Toolbox - [http://www.iop.demo.naviextras.com/]". The interface includes a navigation menu on the left with buttons for Home, Maps, Device, Backup, Settings, and Extras. The main content area is titled "MAPS - World" and features three map purchase cards:

- Map of Africa:** 148.00 EUR. Description: "The latest maps for Africa. Includes: Botswana, Kenya, Lesotho, Namibia, Nigeria, Réunion, South Africa, Swaziland. Road coverage with over 1 087 600 kilometers of updated roads. Latest release: 2014 Q2." A "READ MORE" button is visible.
- Map of South America:** 148.00 EUR. Description: "The latest maps for South America. Includes: Argentina, Brazil, Chile, Colombia, Costa Rica, Peru, Uruguay, Venezuela. Road coverage with over 2 662 200 kilometers of updated roads. Latest release: 2014 Q2." A "READ MORE" button is highlighted with a yellow border.
- Map of Middle East:** 148.00 EUR. Description: "The latest maps for Middle East. Includes: Bahrain, Egypt, Jordan, Kuwait, Lebanon, Morocco, Oman, Qatar, Saudi Arabia, United Arab Emirates. Road coverage with over 884 300 kilometers of updated roads. Latest release: 2014 Q2." A "READ MORE" button is visible.

On the right side, there is a notification box stating: "Harley-Davidson.naviextras.com is in DEV mode now. You can buy updates with test credit card numbers, and you will get 1-week trial licenses and a test invoice." Below this is a "MAPS & MORE" section with a "BROWSE" button and a list of regions: World, Europe, Western Europe, Eastern Europe, Middle East and Africa, Americas, North America, Middle and South America, Asia Pacific and Oceania, Middle East, Southern Africa, and Australia & New Zealand. A "Maps" button is also present at the bottom of this section.

At the bottom left of the interface, it displays: "My Navigation device: Harley Davidson Flash: 3.6 GB / 7.3 GB".

Step 3: Start purchasing the content by clicking on „ADD TO CART,, button*

The screenshot shows the Naviextras Toolbox interface. The main content area features a map of South America and the following text:

Map of South America

The latest maps for South America.
Includes: Argentina, Brazil, Chile, Colombia, Costa Rica, Peru, Uruguay, Venezuela.
Road coverage with over 2 662 200 kilometers of updated roads.
Released: 2014 Q2
File size: 641 MB

Get the latest map ~ 46,150.84 HUF * 148.00 EUR

Get the latest map to update your existing map or extend the coverage of your navigation device. This single time update entitles you to download and install the latest version of this map once.

ADD TO CART

* Please note that these prices are used as a guide only, as they are approximate and updated twice a week based on the actual exchange rate.

The right sidebar contains a 'MAPS & MORE' section with a 'BROWSE' button and a list of categories: World, Europe, Western Europe, Eastern Europe, Middle East and Africa, Americas, North America, Middle and South America, Asia Pacific and Oceania, Middle East, Southern Africa, and Australia & New Zealand. A 'Maps' category is also visible at the bottom of the list.

A 'TEST MODE' notification is visible in the bottom right corner, indicating the server URL: <http://www.iop.demo.naviextras.com/>

* Please note that if you have a CVO MotorBike with valid MapCare subscription, the update will be available for you free of charge. In this case click on „GET FOR FREE” button, and the purchase procedure will be skipped.

4.4 Content purchase and download via Toolbox

Step 4: Go to Check Out

The screenshot shows the Naviextras Toolbox website interface. The browser title is "Naviextras Toolbox - [http://www.iop.demo.naviextras.com/]". The navigation bar includes the Naviextras logo, user profile "Harley Davidson", "rng_atoth5", "About", and "Help".

Step 5: Check Out

The screenshot shows the Naviextras Toolbox web interface. The browser title is "Naviextras Toolbox - [http://www.iop.demo.naviextras.com/]". The interface includes a navigation menu on the left with options: Home, Maps, Device, Backup, Settings, and Extras. At the bottom left, it displays "My Navigation device: Harley Davidson" and "Flash: 3.1 GB / 7.3 GB".

The main content area features a "Shopping Cart Items" table:

Shopping Cart Items	Price	Remove
Map of South America Get the latest map	148.00 EUR	
Total:	148.00 EUR	

Below the cart, there is a warning message: "Please verify with the Naviextras Toolbox PC software if there is enough free storage space on your device or SD card to install the chosen updates and extras." Below this message are two buttons: "I HAVE A CODE" and "CHECKOUT".

On the right side, there is a notification box: "Harley-Davidson.naviextras.com is in DEV mode now. You can buy updates with test credit card numbers, and you will get 1-week trial licenses and a test invoice." Below this is a "Five easy steps to go:" section with a numbered list:

- 1 Add selected content to cart.
- 2 Check out. Verify items in your cart.
- 3 Enter and confirm your invoice address.
- 4 Enter your credit card data for the purchase.
- 5 Download and install updates to your device with Toolbox.

At the bottom right, there is a "MAPS & MORE" section with a "BROWSE" link and a list of map categories: World, Europe, Western Europe, and Eastern Europe.

4.4 Content purchase and download via Toolbox

Step 6: Verify your order

The screenshot shows the Naviextras Toolbox website interface. The browser title is "Naviextras Toolbox - [http://www.iop.demo.naviextras.com/]". The page features a navigation menu on the left with options: Home, Maps, Device, Backup, Settings, and Extras. At the bottom left, it displays "My Navigation device: Harley Davidson Flash: 3.1 GB / 7.3 GB". The main content area is titled "SHOPPING CART ITEMS" and lists "Map of South America" for 148.00 EUR. The total is also 148.00 EUR. A yellow "VERIFY YOUR ORDER" button is highlighted. A "BACK TO CART" button is also visible. On the right, there is a warning message about the site being in DEV mode and a "Five easy steps to go:" section with the following steps:

- 1 Add selected content to cart.
- 2 Check out. Verify items in your cart.
- 3 Enter and confirm your invoice address.
- 4 Enter your credit card data for the purchase.
- 5 Download and install updates to your device with Toolbox.

Below the steps is a "MAPS & MORE" section with a "BROWSE" link and a list of map categories: World, Europe, Western Europe, and Eastern Europe.

4.4 Content purchase and download via Toolbox

Step 7: Enter invoice address

4.4 Content purchase and download via Toolbox

Step 11: Wait for the validation of the device

The screenshot shows the Naviextras Toolbox web interface. The browser window title is "Naviextras Toolbox - [http://www.iop.demo.naviextras.com/]". The interface has a top navigation bar with the Naviextras logo and user information: "Harley Davidson", "nng_atobli", "About", and "Help". A left sidebar contains navigation buttons for Home, Maps, Device (highlighted), Backup, Settings, and Extras. At the bottom of the sidebar, it displays "My Navigation device: Harley Davidson" and "Flash: 3.6 GB / 7.3 GB". The main content area is titled "Content overview" and features a large grey box with the text "Your device is up-to-date." and a small image of a navigation device. An "Install" button is located at the bottom right of this box. At the bottom of the page, a status bar indicates "Offers updated." and "Comparing data on the device with the server responses."

4.4 Content purchase and download via Toolbox

Step 12: Click on the „Install” button to start downloading the content to the USB memory stick

The screenshot shows the Naviextras Toolbox web interface. The browser title is "Naviextras Toolbox - [http://www.iop.demo.naviextras.com/]". The interface has a dark grey header with the "naviextras" logo and user information: "Harley Davidson", "rriq_atoth5", and "About". A help icon is also present. On the left, there is a vertical sidebar with buttons for "Home", "Maps", "Updates" (highlighted in orange), "Backup", "Settings", and "Extras". At the bottom of the sidebar, it displays "My Navigation device: Harley Davidson" and "Flash: 3.2 GB / 7.3 GB". The main content area has a light blue header that says "New contents available". Below this, a grey box contains the text: "You have 1 new package to install:" followed by a list item "- Map of North America". A yellow "Install" button is located at the bottom right of the notification box.

4.4 Content purchase and download via Toolbox

Step 13: Wait until the download is completed. This takes about 1 hour

The screenshot shows the Naviextras Toolbox web interface. The browser title bar reads "Naviextras Toolbox - [http://www.iop.demo.naviextras.com/] (Not Responding)". The interface includes a top navigation bar with the Naviextras logo, user profile "Harley Davidson", user ID "nng_aloth5", "About", and "Help" links. A left sidebar contains navigation buttons for Home, Maps, Updates (highlighted in orange), Backup, Settings, and Extras. At the bottom left of the sidebar, it displays "My Navigation device: Harley Davidson" and "Flash: 3.6 GB / 7.3 GB". The main content area shows a "New contents available" notification. A modal dialog box is open in the center, titled "Working... 0%", with a progress bar and the text "Getting download location for:USA_Ohio speed profile". There is a "Show details" checkbox (unchecked) and a "Cancel" button. An "Install" button is visible in the bottom right corner of the main content area.

4.4 Content purchase and download via Toolbox

Step 14: Click „OK” when the operation completed successfully

The screenshot shows the Naviextras Toolbox interface. A central dialog box displays the message: "The requested operation was completed successfully." Below the message, there is a checkbox labeled "Show details" which is checked, and another checkbox labeled "Show only errors" which is unchecked. A yellow box highlights the "OK" button. At the bottom of the dialog box, there is a table with the following data:

Item	Action	Result
USA_District_Of_Columbia phonemes	Copying new data to device	✓
Bahamas phonemes	Copying new data to device	✓
